Upon the motion, dated October 15, 2007 (the "Motion"), of Delphi Corporation ("Delphi") and certain of its subsidiaries and affiliates, debtors and debtors-in-possession in the above-captioned cases (collectively, the "Debtors"), for orders pursuant to 11 U.S.C. §§ 363, 365, and 1146 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014 (a) (i) approving the bidding procedures, (ii) granting certain bid protections, (iii) approving the form and manner of sale notices, and (iv) setting a sale hearing date (the "Sale Hearing") and (b) authorizing and approving (i) the sale (the "Sale") of certain of the Debtors' assets (the "Purchased Assets") comprising substantially all the assets that comprise the Cockpits and Interior Systems and Integrated Closure Systems Businesses (the "Interiors and Closures Businesses"), free and clear of liens, claims, and encumbrances, to Inteva Products, LLC. and certain of its affiliates (the "Buyers") pursuant to the Master Sale and Purchase Agreement, dated October 15, 2007 (the

"Agreement," a copy of which is attached hereto as Exhibit A), by and between Delphi and certain of its affiliates, including certain affiliated Debtors as set forth in the Agreement (the "Selling Debtor Entities"),¹ and the Buyers or to the party submitting the highest or otherwise best bid (the "Successful Bidder"), (ii) the assumption and assignment of certain prepetition executory contracts and unexpired leases (the "Assumed U.S. Contracts") and the assignment of certain postpetition executory contracts and unexpired leases (the "Postpetition Contracts," and collectively with the Assumed U.S. Contracts, the "Assigned Contracts") to the Buyers or the Successful Bidder, and (iii) the assumption of certain liabilities (the "Assumed Liabilities") by the Buyers or the Successful Bidder; and the Court having entered an order on October 26, 2007 (the "Bidding Procedures Order")(Docket No. 10732) (a) approving bidding procedures, (b) granting certain bid protections, (c) approving the form and manner of sale notices, and (d) setting the Sale Hearing; and the Sale Hearing having been held on December 20, 2007, at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered the Motion and the arguments of counsel made, and the evidence proffered or adduced, at the Sale Hearing; and it appearing that the relief requested in the Motion is in the best interests of the Selling Debtor Entities, their estates, their stakeholders, and all other parties-in-interest; and after due deliberation thereon, and sufficient cause appearing therefor,

IT IS HEREBY FOUND AND DETERMINED THAT:²

¹ Under the Agreement, the Selling Debtor Entities are comprised of Delphi, Delphi Automotive Systems LLC, Delphi Automotive Systems (Holdings) Inc., and Delphi Technologies, Inc. Certain assets will be sold under the Agreement by non-Debtor affiliates of the Selling Debtor Entities listed on Schedule 1 to the Agreement. The Selling Debtor Entities and the selling non-Debtor affiliates are collectively referred to as the "Sellers."

² Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact when appropriate. See Fed. R. Bankr. P. 7052.

A. The Court has jurisdiction over the Motion and the transactions contemplated by the Agreement pursuant to 28 U.S.C. §§ 157 and 1334, and this matter is a core proceeding pursuant to 28 U.S.C. § 157(b)(2)(A) and (N). Venue of these cases and the Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

B. The statutory predicates for the relief sought in the Motion are sections 363, 365, and 1146 of 11 U.S.C. §§ 101-1330, as amended and in effect on October 8, 2005 (the "Bankruptcy Code"), and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014.

C. As evidenced by the affidavits of service previously filed with the Court, and based on the representations of counsel at the Sale Hearing, (i) proper, timely, adequate, and sufficient notice of the Motion, the Sale Hearing, the Sale, the assumption and assignment of the Assumed U.S. Contracts, and the Cure Amounts has been provided in accordance with 11 U.S.C. §§ 102(l), 363, and 365 and Fed. R. Bankr. P. 2002, 6004, 6006, and 9014, (ii) such notice was good, sufficient, and appropriate under the circumstances, and (iii) no other or further notice of the Motion, the Sale Hearing, the Sale, or the assumption and assignment of the Assumed U.S. Contracts or assignment of the Postpetition Contracts is necessary.

D. As demonstrated by (i) the testimony and other evidence proffered or adduced at the Sale Hearing and (ii) the representations of counsel made on the record at the Sale Hearing, the Selling Debtor Entities have marketed the Purchased Assets and conducted the sale process in compliance with the Bidding Procedures Order.

E. The Selling Debtor Entities (i) have full power and authority to execute the Agreement and all other applicable documents contemplated thereby, and the transfer and conveyance of the Purchased Assets by the Selling Debtor Entities has been duly and validly authorized by all necessary action of the Selling Debtor Entities, (ii) have all of the power and

authority necessary to consummate the transactions contemplated by the Agreement, and (iii) have taken all action necessary to authorize and approve the Agreement and to consummate the transactions contemplated thereby, and no consents or approvals, other than those expressly provided for in the Agreement, are required for the Selling Debtor Entities to consummate such transactions.

F. The Selling Debtor Entities have demonstrated (i) good, sufficient, and sound business purposes and justification for the Sale because, among other things, the Selling Debtor Entities and their advisors diligently and in good faith analyzed all other available options in connection with the disposition of the Purchased Assets and determined that (a) the terms and conditions set forth in the Agreement, (b) the transfer to Buyers of the Purchased Assets pursuant thereto, and (c) the Purchase Price agreed to as reflected in the Agreement are all fair and reasonable and together constitute the highest or otherwise best value obtainable for the Purchased Assets and (ii) that compelling circumstances for the Sale pursuant to 11 U.S.C. § 363(b) prior to, and outside of, a plan of reorganization exist because, among other things, absent the Sale the value of the Purchased Assets will be substantially diminished.

G. A reasonable opportunity to object or be heard with respect to the Motion and the relief requested therein has been afforded to all interested persons and entities, including without limitation: (i) the Office of the United States Trustee for the Southern District of New York, (ii) counsel for the Buyers, (iii) counsel for the official committee of unsecured creditors appointed in these chapter 11 cases, (iv) counsel for the official committee of equity security holders appointed in these chapter 11 cases, (v) all entities known to have expressed an interest in a transaction with respect to the Purchased Assets during the past six months, (vi) all entities known to have asserted any Interests and/or Claims (as defined below) in or upon the Purchased

Assets, (vii) all federal, state, and local regulatory or taxing authorities or recording offices, including but not limited to environmental regulatory authorities, which have a reasonably known interest in the relief requested by the Motion, (viii) all parties to Assigned Contracts, (ix) the United States Attorney's office, (x) the United States Department of Justice, (xi) the Securities and Exchange Commission, (xii) the Internal Revenue Service, (xiii) all entities on the Master Service List (as defined by the Supplemental Order Under 11 U.S.C. §§ 102(1) And 105 And Fed. R. Bankr. P. 2002(M), 9006, 9007, And 9014 Establishing Omnibus Hearing Dates And Certain Notice, Case Management, And Administrative Procedures (Docket No. 2883) (the "Supplemental Case Management Order")), and (xiv) such other entities as are required to be served with notices under the Supplemental Case Management Order.

H. The Buyers are not "insiders" of any of the Debtors as that term is defined in 11 U.S.C. § 101(31).

I. The Agreement was negotiated, proposed, and entered into by the Selling Debtor Entities and the Purchaser without collusion, in good faith, and from arm's-length bargaining positions. Neither the Selling Debtor Entities nor the Buyers have engaged in any conduct that would cause or permit the Sale to be avoidable under 11 U.S.C. § 363(n).

J. The Buyers are good faith purchasers under 11 U.S.C. § 363(m) and, as such, are entitled to all of the protections afforded thereby. The Buyers will be acting in good faith within the meaning of 11 U.S.C. § 363(m) in closing the transactions contemplated by the Agreement at all times after the entry of this order.

K. The consideration provided by the Buyers for the Purchased Assets pursuant to the Agreement (i) is fair and reasonable, (ii) is the highest or otherwise best offer for the Purchased Assets, (iii) will provide a greater recovery for the Selling Debtor Entities'

stakeholders than would be provided by any other practical available alternative, and (iv) constitutes reasonably equivalent value and fair consideration under the Bankruptcy Code and under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia.

L. The Sale must be approved and consummated promptly to preserve the viability of the Interiors and Closures Businesses as a going concern. The Sale is in contemplation of, and a necessary condition precedent to, a reorganization plan for the Debtors and, accordingly, constitutes a transfer to which section 1146(c) of the Bankruptcy Code applies.

M. The transfer of the Purchased Assets to the Buyers will be a legal, valid, and effective transfer of the Purchased Assets, and in the case of the Purchased Assets of the Selling Debtor Entities, shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities to the Purchased Assets free and clear of any and all liens, claims, interests, and encumbrances of any type whatsoever (whether known or unknown, choate or inchoate, filed or unfiled, scheduled or unscheduled, noticed or unnoticed, recorded or unrecorded, perfected or unperfected, allowed or disallowed, contingent or non-contingent, liquidated or unliquidated, matured or unmatured, material or non-material, disputed or undisputed, whether arising prior to or subsequent to the commencement of the chapter 11 cases, and whether imposed by agreement, understanding, law, equity, or otherwise, including claims otherwise arising under doctrines of successor liability), including but not limited to those (i) that purport to give to any party a right or option to effect any forfeiture, modification, right of first refusal, or termination of the Selling Debtor Entities' or the Purchaser's interest in the Purchased Assets, or any similar rights, and (ii) relating to taxes arising under or out of, in connection with, or in any way relating to the

operation of the Interiors and Closures Businesses prior to the Closing Date, including the transfer of the Purchased Assets to the Buyers (collectively, the "Interests and/or Claims").

N. If the Sale of the Purchased Assets with respect to the Selling Debtor Entities were not free and clear of all Interests and/or Claims as set forth in the Agreement and this order, or if the Buyers would, or in the future could, be liable for any of the Interests and/or Claims as set forth in the Agreement and this order, the Buyers would not have entered into the Agreement and would not consummate the Sale or the transactions contemplated by the Agreement, thus adversely affecting the Selling Debtor Entities, their estates, and their stakeholders.

O. The Selling Debtor Entities may sell their interests in the Purchased Assets free and clear of all Interests and/or Claims because, in each case, one or more of the standards set forth in 11 U.S.C. § 363(f)(1)-(5) has been satisfied. All holders of Interests and/or Claims who did not object, or withdrew their objections to the Sale, are deemed to have consented to the Sale pursuant to 11 U.S.C. § 363(f)(2). Those holders of Interests and/or Claims who did object fall within one or more of the other subsections of 11 U.S.C. § 363(f), and all holders of Interests and/or Claims are adequately protected by having their Interests and/or Claims, if any, attach to the cash proceeds of the Sale ultimately attributable to the property against or in which they claim an Interest or Claim with the same priority, validity, force, and effect as they attached to such property immediately before the closing of the Sale.

P. Except as expressly provided in the Agreement, the (i) transfer of the Purchased Assets to the Buyers and (ii) assumption and/or assignment to the Buyers of the Assigned Contracts and Assumed Liabilities will not subject the Buyers to any liability whatsoever with respect to the operation of the Interiors and Closures Businesses prior to the

Closing of the Sale, or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia based, in whole or in part, directly or indirectly, on any theory of law or equity including, without limitation, any theory of equitable law, antitrust, or successor or transferee liability.

Q. The Selling Debtor Entities have demonstrated that it is an exercise of their sound business judgment to assume and/or assign the Assigned Contracts as applicable to the Buyers in connection with the consummation of the Sale, and the assumption and/or assignment of the Assigned Contracts is in the best interests of the Selling Debtor Entities, their estates, and their creditors. The Assigned Contracts being assigned to, and the liabilities being assumed by, the Buyers are an integral part of the Purchased Assets being purchased by the Buyers and, accordingly, such assumption and/or assignment of Assigned Contracts and liabilities is reasonable and enhances the value of the Selling Debtor Entities' estates.

R. The Selling Debtor Entities have (i) cured, or have provided adequate assurance of cure of, any default existing prior to the Closing of the Sale under any of the Assumed U.S. Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(A), by payment of the amounts provided on Schedule 1 hereto and (ii) provided compensation or adequate assurance of compensation to any party for any actual pecuniary loss to such party resulting from a default prior to the date hereof under any of the Assumed U.S. Contracts, within the meaning of 11 U.S.C. § 365(b)(1)(B). The Buyers have provided adequate assurance of their future performance of and under the Assumed U.S. Contracts, within the meaning of 11 U.S.C. §§ 365(b)(1)(C) and 365(f)(2)(B). Except for the executory contracts related to the objections (the "Objections") filed to the Notice Of Cure Amount With Respect To Executory Contract Or Unexpired Lease To Be Assumed And Assigned In Connection With The Sale Of Interiors And

Closure Businesses (Docket Nos. 10962 and 10963) and Notice Of Cure Amount With Respect To Executory Contract Or Unexpired Lease To Be Assumed And Assigned In Connection With The Sale Of Interiors And Closures Businesses (Docket No. 11164 and 10965) as set forth on Schedule 2 hereto, pursuant to 11 U.S.C. § 365(f), the Assumed U.S. Contracts to be assumed and assigned under the Agreement shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Buyers notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

S. Approval of the Agreement and consummation of the Sale of the Purchased Assets and assignment of the Assigned Contracts at this time are in the best interests of the Selling Debtor Entities, their stakeholders, their estates, and other parties-in-interest.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND
DECREED THAT:

General Provisions

7. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court; provided that any such modification, amendment, or supplement is not material.

Sale And Transfer Of The Purchased Assets

8. Except as expressly permitted or otherwise specifically provided for in the Agreement or this order, pursuant to 11 U.S.C. §§ 363(b) and 363(f), upon the consummation of the Agreement, the Selling Debtor Entities' right, title, and interest in the Purchased Assets shall be transferred to the Buyers free and clear of all Interests and/or Claims, with all such Interests and/or Claims to attach to the cash proceeds of the Sale in the order of their priority, with the same validity, force, and effect which they had as against the Purchased Assets immediately before such transfer, subject to any claims and defenses the Selling Debtor Entities may possess with respect thereto.

9. The transfer of the Purchased Assets to the Buyers pursuant to the Agreement constitutes a legal, valid, and effective transfer of the Purchased Assets, and shall vest the Buyers with all right, title, and interest of the Selling Debtor Entities in and to the Purchased Assets free and clear of all Interests and/or Claims of any kind or nature whatsoever.

10. If any person or entity which has filed financing statements, mortgages, mechanic's liens, lis pendens, or other documents or agreements evidencing Interests and/or Claims against or in the Purchased Assets shall not have delivered to the Selling Debtor Entities prior to the Closing of the Sale, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Interests and/or Claims that the person or entity has with respect to the Purchased Assets, or otherwise, then (a) the Selling Debtor Entities are hereby authorized to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Purchased Assets and (b) the Buyers are hereby authorized to file, register, or otherwise record a certified copy of this

order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all Interests and/or Claims in the Purchased Assets of any kind or nature whatsoever.

11. This order (a) shall be effective as a determination that, upon the Closing of the Sale, all Interests and/or Claims of any kind or nature whatsoever existing as to the Selling Debtor Entities or the Purchased Assets being sold by the Selling Debtor Entities prior to the Closing of the Sale have been unconditionally released, discharged, and terminated (other than any surviving obligations), and that the conveyances described herein have been effected and (b) shall be binding upon and shall govern the acts of all entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Purchased Assets.

12. All persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, and other stakeholders, holding Interests and/or Claims of any kind or nature whatsoever against or in the Selling Debtor Entities or the Purchased Assets being sold by the Selling Debtor Entities (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Interiors and Closures Businesses, the Purchased Assets being sold by the Selling Debtor Entities, the operation of the Interiors and Closures Businesses by the

Selling Debtor Entities prior to the Closing of the Sale, or the transfer of the Purchased Assets to the Buyers, hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyers, their successors or assigns, their property, or the Purchased Assets, such persons' or entities' Interests and/or Claims. Nothing in this order or the Agreement releases or nullifies any Liability to a governmental agency under any environmental laws and regulations that any entity would be subject to as owner or operator of any Purchased Assets after the date of entry of this order. Nothing in this order or the Agreement bars, estops, or enjoins any governmental agency from asserting or enforcing, outside the Court, any Liability described in the preceding sentence. Notwithstanding the above, nothing herein shall be construed to permit a governmental agency to obtain penalties from the Buyers for days violation of environmental laws and regulations prior to Closing.

Assumption And Assignment To The Purchaser Of The Assumed U.S. Contracts

13. Pursuant to 11 U.S.C. §§ 105(a) and 365, and subject to and conditioned upon the Closing of the Sale, and subject to paragraph 14 herein, the Selling Debtor Entities' assumption and assignment to the Buyers, and the Buyers' assumption on the terms set forth in the Agreement, of the Assumed U.S. Contracts is hereby approved, and the requirements of 11 U.S.C. §§ 365(b)(1) and 365(f) with respect thereto are hereby deemed satisfied.

14. The Objections listed on Schedule 2 shall be adjourned to the January 25, 2007 omnibus hearing.

15. The Selling Debtor Entities are hereby authorized in accordance with 11 U.S.C. §§ 105(a), 363, and 365 to (a) assume and/or assign to the Buyers, effective upon the Closing of the Sale, the Assigned Contracts free and clear of all Interests and/or Claims of any

kind or nature whatsoever and (b) execute and deliver to the Buyers such documents or other instruments as may be necessary to assign and transfer the Assigned Contracts and Assumed Liabilities to the Buyers.

16. The Assumed U.S. Contracts shall be transferred to, and remain in full force and effect for the benefit of, the Buyers in accordance with their respective terms, notwithstanding any provision in any such Assumed U.S. Contract (including those of the type described in sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits, restricts, or conditions such assignment or transfer and, pursuant to 11 U.S.C. § 365(k), the Selling Debtor Entities shall be relieved from any further liability with respect to the Assumed U.S. Contracts after such assignment to and assumption of such contracts by the Buyers.

17. All defaults or other obligations of the Selling Debtor Entities under the Assumed U.S. Contracts arising or accruing prior to the Closing of the Sale (without giving effect to any acceleration clauses or any default provisions of the kind specified in section 365(b)(2) of the Bankruptcy Code) shall be cured by the Selling Debtor Entities in accordance with the terms of the Agreement, and the Buyers shall have no liability or obligation arising or accruing prior to the date of the Closing of the Sale, except as otherwise expressly provided in the Agreement. Each non-debtor party to any Assumed U.S. Contracts shall be deemed to have consented to the assumption and assignment of the Assumed U.S. Contracts to the Buyers and shall be forever barred, estopped, and permanently enjoined from asserting against the Selling Debtor Entities or the Buyers, or the property of any of them, any default existing, arising, or accruing as of the date of the Closing or any purported written or oral modification to the Assumed U.S. Contracts. The failure of the Debtors or the Buyers to enforce prior to the Closing of the Sale one or more terms or conditions of any Assumed U.S. Contracts shall not be a waiver

of such terms or conditions or of the Debtors' or Buyers' rights to enforce every term and condition of any such Assumed U.S. Contracts.

Additional Provisions

18. The transactions contemplated by the Agreement, and the execution, delivery, and/or recordation of any and all documents or instruments necessary or desirable to consummate the transactions contemplated by the Agreement shall be, and hereby are, exempt from the imposition and payment of all stamp taxes or any other similar taxes pursuant to section 1146(c) of the Bankruptcy Code.

19. The consideration provided by the Buyers for the Purchased Assets under the Agreement is hereby deemed to constitute reasonably equivalent value and fair consideration under the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act, and under the laws of the United States, and any state, territory, or possession thereof, or the District of Columbia.

20. Upon the Closing of the Sale, this order shall be construed as and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer of all of the Purchased Assets and the Assigned Contracts or a bill of sale transferring good and marketable title in such Purchased Assets and Assigned Contracts to the Buyers pursuant to the terms of the Agreement.

21. Upon the Closing of the Sale, each of the Selling Debtor Entities' creditors is authorized and directed to execute such documents and take all other such actions as may be necessary to release their respective Interests and/or Claims against the Purchased Assets, if any, as such Interests and/or Claims may have been recorded or may otherwise exist.

22. Each and every federal, state, and governmental agency or department, and any other person or entity, is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

23. All entities which are currently, or as of the Closing of the Sale may be, in possession of some or all of the Purchased Assets to be sold, transferred, or conveyed pursuant to the Agreement are hereby directed to surrender possession of the Purchased Assets to the Buyers upon the Closing of the Sale.

24. All persons holding Interests and/or Claims against or in the Selling Debtor Entities or the Purchased Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such Interests and/or Claims of any kind or nature whatsoever against the Buyers, their property, their successors and assigns, or the Purchased Assets with respect to any Interest or Claim of any kind or nature whatsoever which such person or entity had, has, or may have against or in the Selling Debtor Entities, their estates, their officers, their directors, their shareholders, or the Purchased Assets. Following the Closing of the Sale, no holder of an Interest in or Claim against the Selling Debtor Entities shall interfere with the Buyers' title to or use and enjoyment of the Purchased Assets based on or related to such Interest or Claim or any actions that the Selling Debtor Entities may take, or have taken, in their chapter 11 cases.

25. The transactions contemplated by the Agreement are undertaken by the Buyers in good faith, as that term is used in section 363(m) of the Bankruptcy Code, and accordingly, the reversal or modification on appeal of the authorization provided herein to

consummate the sale of the Purchased Assets shall not affect the validity of the Sale to the Buyers, unless such authorization is duly stayed pending such appeal. The Buyers are purchasers in good faith of the Purchased Assets, and are entitled to all of the protections afforded by section 363(m) of the Bankruptcy Code.

26. The consideration provided by the Buyers for the Purchased Assets under the Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

27. The Selling Debtor Entities, including, but not limited to, their officers, employees, and agents, are hereby authorized to execute such documents and do such acts as are necessary or desirable to carry out the transactions contemplated by the terms and conditions of the Agreement and this order. The Selling Debtor Entities shall be, and they hereby are, authorized to take all such actions as may be necessary to effectuate the terms of this order.

28. The terms and provisions of the Agreement and this order shall be binding in all respects upon, and shall inure to the benefit of, the Selling Debtor Entities, their estates, and their stakeholders, the Buyers and their affiliates, successors, and assigns, and any affected third parties, including, but not limited to, all persons asserting an Interest or Claim against or in the Purchased Assets to be sold to the Buyers pursuant to the Agreement, notwithstanding any subsequent appointment of any trustee or other fiduciary under any section of any chapter of the Bankruptcy Code, as to which trustee or other fiduciary such terms and provisions likewise shall be binding.

29. The Selling Debtor Entities shall not propose, support, or seek confirmation of a plan of reorganization that is inconsistent with or derogate from the terms of the Agreement.

30. Notwithstanding anything contained herein to the contrary, the term "Purchased Assets" as defined herein does not include property that is not property of the Selling Debtor Entities' estates, such as funds that are trust funds under any applicable state lien laws.

31. To the extent permitted by section 525 of the Bankruptcy Code, no governmental unit may revoke or suspend any permit or license relating to the operation of the Purchased Assets sold, transferred, or conveyed to the Buyers on account of the filing or pendency of these chapter 11 cases or the consummation of the Sale.

32. The failure specifically to include or to reference any particular provision of the Agreement in this order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Agreement be authorized and approved in its entirety.

33. The Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto in accordance with the terms thereof without further order of the Court, provided that any such modification, amendment, or supplement does not have a material adverse effect on the Selling Debtor Entities' estates.

34. Nothing in this order shall alter or amend the Agreement and the obligations of the Sellers and the Buyers thereunder.

35. This Court retains exclusive jurisdiction to interpret, construe, enforce, and implement the terms and provisions of this order, the Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to (a) compel delivery of the Purchased Assets to the Buyers, (b) compel delivery of the purchase price or performance of other obligations owed to the Selling Debtor Entities pursuant to the Agreement, (c) resolve any disputes arising under or related to the Agreement, except as otherwise provided therein, (d) interpret, implement, and enforce the provisions of this order, (e) protect the Buyers against any Interests and/or Claims against or in the Selling Debtor Entities or the Purchased Assets, of any kind or nature whatsoever, attaching to the proceeds of the Sale, and (f) determine all disputes among the Selling Debtor Entities, the Buyers, and any non-Debtor parties to any Assigned Contracts concerning, inter alia, the Selling Debtor Entities' assumption and/or assignment of any Assigned Contract to the Purchaser under the Agreement.

36. The purchase price shall be and hereby is allocated between the Selling Debtor Entities and the non-Debtor Sellers as set forth on Schedule 3.

37. The Selling Debtor Entities are authorized, but not directed, to enter into and perform under the sixth amendment of lease, dated September 28, 2007, by and between DAS LLC and 1401 Troy Associates Limited Partnership, covering certain premises located at 1401 Crooks Road, Troy, Michigan.

38. The requirement under Rule 9013-1(b) of the Local Bankruptcy Rules for the United States Bankruptcy Court for the Southern District of New York for the service and filing of a separate memorandum of law is deemed satisfied by the Motion.

To the extent that Buyer is provided the benefits pursuant to Section 2.4.3 of any Deferred Item, Buyer will perform, on behalf of Sellers, for the benefit of the issuer thereof or the other party or parties thereto (including payment obligations) the obligations of Sellers thereunder or in connection therewith and if Buyer will fail to perform to the extent required herein, Sellers, without waiving any rights or remedies that they may have under this Agreement or applicable Laws, may suspend their performance under Section 2.4.3 in respect of the instrument which is the subject of such failure to perform unless and until such situation is remedied; or Sellers may perform at Buyer's sole cost and expense, in which case Buyer will reimburse Sellers' costs of such performance immediately upon receipt of an invoice therefore. Buyers will reimburse Sellers and will hold Sellers harmless from and against all Liabilities, incurred or asserted as a result of Sellers' post-Closing direct or indirect ownership, management or operation of the Deferred Items on behalf of Buyers.

2.4.5 Standard of Care. Sellers will have no Liability to any Buyer arising out of the provision of the benefits of the Deferred Items other than for gross negligence or willful misconduct and will have no Liability for actions taken in accordance with the request or direction of Buyer Parent or its Affiliates. Buyers will reimburse Sellers and will hold Sellers harmless from and against all Liabilities, incurred or asserted as a result of Sellers' post-Closing direct or indirect ownership, management or operation of the Deferred Items.

2.5 JV Company Liabilities. Notwithstanding anything to the contrary herein, no Liabilities of the JV Companies will be affected by this Agreement. The Liabilities of the JV Companies will remain the Liabilities of the JV Companies and neither Sellers nor Buyers will have any obligation for such Liabilities or otherwise with respect to the JV Companies.

3. PURCHASE PRICE; ADJUSTMENT; ALLOCATION:

3.1 Deposit Amount. Immediately upon receipt of notice that the condition referred to in Section 7.1.6 has been received, Buyers' Representative will deliver to the Escrow Agent pursuant to the terms of the Deposit Escrow Agreement Two Million Dollars (\$2,000,000.00) in immediately available funds (such amount, together with the interest accrued thereon prior to the Closing, the "**Deposit Amount**"), to be held by the Escrow Agent in an interest bearing account reasonably acceptable to Buyers' Representative to serve as an earnest money deposit under this Agreement, and to be released in accordance with the following procedures (which procedures will be set forth in the Deposit Escrow Agreement):

3.1.1 Delphi and Buyers' Representative will jointly instruct the Escrow Agent to deliver the Deposit Amount on the Closing Date, by wire transfer of immediately available funds, to an account designated by Delphi in the Deposit Escrow Agreement;

3.1.2 Upon any material breach by a Buyer of this Agreement or the Bidding Procedures which results in termination of this Agreement, Delphi and Buyers' Representative will jointly instruct the Escrow Agent to deliver the Deposit Amount, in accordance with the terms of the Deposit Escrow Agreement, by wire transfer of immediately available funds, to an account designated by Delphi in the Deposit Escrow Agreement, to be retained by Delphi; or

3.1.3 Upon termination of this Agreement in accordance with the termination provisions set forth in Article 9 for any reason other than a Buyer breach, then, on: (i) the date which is ten (10) days after such termination; or (ii) in the event that an Alternative Transaction is completed, the Return Date (which ever is earlier) Delphi and Buyers' Representative will jointly instruct the Escrow Agent to deliver the Deposit Amount, by wire transfer of immediately available funds, to an account designated by Buyer's Representative in the Deposit Escrow Agreement, to be retained by Buyers.

3.2 Preliminary Purchase Price:

3.2.1 On the Closing Date and subject to the terms and conditions of this Agreement, in consideration of the Sale, Buyers' Representative, on behalf of Buyers, will pay to Delphi or the Sellers designated by Delphi an amount equal to Seventy Eight Million Dollars (\$78,000,000.00) (such amount plus the Deposit Amount, the "**Preliminary Purchase Price**"). The Parties understand and agree that the amount of the Purchase Price allocated to the Sales Securities identified in the China Share Transfer Agreement must be paid in local currency to the account designated by the applicable Seller.

3.2.2 The Preliminary Purchase Price will be subject to a "**Price Adjustment**" for certain defined items, as more specifically described in Section 3.4. Price Adjustment consists of only: (i) as of Closing, changes in Inventory balance between the date of the Benchmark Inventory Amount and Closing (taking into account the amounts relating to the Productive Inventory to be bought back from Buyers pursuant to Section 3.4.1.B); and (ii) the Net Relocation Benefit Amounts ("**NRBA**"), if any, that may be paid under the mechanism described in Section 3.4.3 below.

3.3 Preparation of Closing Inventory Statement:

3.3.1 Within sixty (60) days after the Closing Date, Delphi will prepare and deliver to Buyers' Representative a Closing Inventory Statement. The Closing Inventory Statement will be based on a physical inventory of the Inventory of the Business, and utilizing a methodology, and accounting therefor, in accordance with GAAP consistent with the methodology used in determining the Benchmark Inventory Amount (attached as Schedule 3.3.1), to be taken jointly by the Parties within thirty (30) Business Days after the Closing Date, consistent with past practice, except that, with respect to Productive Inventory, any such Inventory reasonably expected not to be used within one (1) year after Closing will be deemed to have no value. Each Party's out-of-pocket costs associated with such physical inventory count will be borne separately by such Party. Buyers will, after Closing and pending agreement or final determination of the Closing Inventory Statement, allow Delphi and its Affiliates and their accountants, agents and advisers such access to the Business, all relevant employees and all relevant records, information and other documentation (and will, upon request, provide copies thereof) as is reasonably necessary to enable Sellers to prepare the Closing Inventory Statement and to settle the Final Inventory Statement, including access to and the services of key personnel.

3.3.2 Buyers' Representative will, within thirty (30) days after the delivery by Delphi of the Closing Inventory Statement, complete its review of such statement. If Buyers' Representative disagree with the Closing Inventory Statement, Buyers' Representative will, on or before the last day of such thirty (30) day period, inform Delphi in writing (the "**Objection**") of disagreements which in the aggregate exceed \$100,000 (collectively, "**Relevant Items**"). Any Objection will specify in reasonable detail the nature of any disagreement so asserted, and include all supporting schedules, analyses, working papers and other documentation. If: (i) no such Objection has been timely provided to Seller; or (ii) the sum of all Relevant Items fails to exceed \$100,000, then: (a) the Closing Inventory Statement will be deemed to be the Final Inventory Statement; and (b) Sellers' calculations will be final and binding on the Parties of all items therein.

3.3.3 Delphi will then have thirty (30) days following the date it receives the Objection to review and respond to the Objection. If Delphi and Buyers' Representative are unable to resolve all of their disagreements with respect to the determination of the foregoing items by the fifteenth (15th) day following Delphi's response thereto, after having used their good faith efforts to reach a resolution, they will refer their remaining differences to Grant Thornton (the "**CPA Firm**"), who will, acting as experts in accounting and not as arbitrators, determine on a basis consistent with the requirements of Section 3.3, and only with respect to the specific Relevant Items remaining disputed, whether and to what extent, if any, the Closing Inventory Statement requires adjustment. Delphi and Buyers' Representative will request the CPA Firm to use its commercially reasonable efforts to render its determination within thirty (30) days. In resolving any disputed item, the CPA Firm: (i) will be bound by the principles set forth in this Section 3.3 and Schedule 3.3.3; (ii) will limit its review to matters specifically set forth in the Objection that remain disputed; and (iii) will not assign a value to any item greater than the greatest value for such item claimed by either Party or less than the smallest value for such item claimed by either Party. The CPA Firm's determination will be conclusive and binding upon Delphi and Buyers. Delphi and Buyers will make reasonably available to the CPA Firm all relevant books and records, any work papers (including those of the Parties' respective accountants subject to any conditions such

accountants may impose) and supporting documentation relating to the Closing Inventory Statement, and all other items reasonably requested by the CPA Firm. The **"Final Inventory Statement"** will be: (i) the Closing Inventory Statement if the Parties so agree or if so determined in accordance with Section 3.3.2; or (ii) if an Objection is made under Section 3.3.2, the Closing Inventory Statement, as adjusted pursuant to the agreement of the Parties, or as adjusted by the CPA Firm. The fees, costs and expenses of the CPA Firm under this Section 3.3.3: (i) will be borne by Buyers' Representative in the proportion that the aggregate dollar amount of such disputed items so submitted that are unsuccessfully disputed by Buyers' Representative (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted; and (ii) will be borne by Delphi in the proportion that the aggregate dollar amount of such disputed items so submitted that are successfully disputed by Buyers' Representative (as finally determined by the CPA Firm) bears to the aggregate dollar amount of such items so submitted. Whether any dispute is resolved by agreement among the Parties or by the CPA Firm, changes to the Closing Inventory Statement may be made only for items as to which Buyers' Representative have taken exception in the Objection. Each Party will bear its own expenses incurred in this dispute resolution process, including fees of its accountants, attorneys and other agents.

3.4 Preliminary Purchase Price Adjustments:

3.4.1 Inventory Adjustment:

A. If the amount of Inventory reflected in the final Closing Inventory Statement is less than the Benchmark Inventory Amount, Delphi will pay to Buyers' Representative an amount equal to such deficiency. If the amount of Inventory reflected in the Final Inventory Statement ("**Closing Inventory**") is greater than the Benchmark Inventory Amount, Buyers' Representative will pay to Delphi an amount equal to such excess. Such deficiency or excess payment will be paid in immediately available funds within three (3) Business Days after the ultimate determination of the Final Inventory Statement as provided in this Section 3.4.

B. The relevant Sellers of Closing Inventory at the Columbus, Ohio; Vandalia, Ohio; and Grosspetersdorf, Austria Manufacturing Facilities will immediately buy back from the relevant Buyers all Productive Inventory included in the Closing Inventory for such sites, for use in the appropriate Manufacturing Services Agreement. The amounts required to be paid by Buyers under Section 3.4.1.A above will be reduced by the Closing Inventory amount attributable to Productive Inventory bought back by Sellers under this Section 3.4.1.B, as payment in full by Sellers for such Productive Inventory.

3.4.2 Intentionally Omitted.

3.4.3 NRBA:

A. Generally. Upon the relocation of latch products currently produced in Columbus, Ohio ("**Columbus Latch Operations**") to a lower labor cost region / country within twenty-four (24) months of Closing; and (ii) the Business has achieved a minimum Earnings before Interest, Taxes, Depreciation and Amortization ("**EBITDA**") of \$37.5 Million for the year in which a NRBA is

being determined, then Buyer will pay to Seller the amount calculated in accordance with the NRB Payment Formula and this Section 3.4.3.

To the extent that there is a NRBA under the NRB Payment Formula, payment will be made annually for four (4) years within ninety (90) days of the first (1st) anniversary date of the start of production ("**SOP**") at such new low labor cost location and within ninety (90) days of each subsequent anniversary date through the fourth (4th) anniversary date of SOP.

B. Preparation of NRBA Statements:

(i) Within one hundred (100) days after the end of each calendar year for five (5) years following the date of SOP of the Columbus Latch Operations, Buyers' Representative will prepare and deliver to Delphi a statement of the NRB Payment Formula ("**NRB Statement**") with respect to the year just completed (pro-rated in the first (1st) year for the period beginning with SOP, and in the fifth (5th) year for the period ending on the fourth (4th) anniversary date of SOP, together with a review report of the NRB Statement prepared by Buyers' Representative' independent auditors. Buyers will, pending agreement or final determination of the NRB Statement, allow Delphi's independent auditors such access to Buyers' independent auditors and to the work papers of Buyer's independent auditors as is reasonably necessary to enable Delphi to confirm each NRB Statement.

(ii) Delphi will, within thirty (30) days after the delivery by Buyers' Representative of a NRB Statement, complete its review of such statement. If Delphi disagrees with a NRB Statement, Delphi will, on or before the last day of such thirty (30) day period, inform Buyers' Representative of any Objections specifying in reasonable detail the nature of any disagreement so asserted. If: (i) no such Objection has been timely provided to Buyers' Representative, then: (a) the relevant NRB Statement will be deemed to be the final; and (b) Buyers' calculations will be final and binding on the Parties of all items therein.

(iii) If Delphi files an Objection to a NRB Statement, then the Parties will resolve any issues raised in such Objection in the manner set forth in Section 3.3.3 with respect to the Closing Inventory Statement.

C. Definitions:

(i) "**NRB Payment Formula**" is an amount equal to fifty percent (50%) of the Net Benefit for the period. An illustrative calculation of NRB Payment Formula is attached to this Agreement as Schedule 3.4.3.C.

(ii) "**Net Benefit**" is the amount equal to the excess of: (i) the Relocation Net Cash Flow Benefit in any year in which it is positive number; less (ii) one hundred percent (100%) of the then outstanding Net Relocation Investment, and less (iii) the effects of achieving a 12.5% compounded annual rate of return on the then outstanding Net Relocation Investment; with any negative number resulting from this calculation being used as the "then outstanding Net Relocation Investment" for purposes of the following

year in which a determination is made (i.e., once applied to this determination, the amount of Net Relocation Investment so applied shall reduce the amount of Net Relocation Investment applicable in a subsequent year) until one hundred percent (100%) of the aggregate Net Relocation Investment has been applied, and the Net Relocation Investment has achieved a 12.5% compounded annual rate of return, following which the Relocation Net Cash Flow Benefit shall be deemed to be equal to the Net Benefit. In no event will Seller owe Buyer any amounts with respect to NRBA.

(iii) **"Relocation Net Cash Flow Benefit"** means: (i) the differential between: (a) the Columbus per unit Cash Contribution multiplied by the volume of units assumed in the Business' plan projections provided to Buyers on or about August 9, 2007; and (b) the low labor cost location per unit Cash Contribution multiplied by the actual volume of units produced at the low labor cost location for part numbers previously produced in Columbus and now being produced in a low labor cost location. The Columbus per unit Cash Contribution(s) by product type prepared prior to executing this Agreement (which are defined in Schedule 3.4.3.C(iii) hereto), will be used for the purposes of calculating Relocation Net Cash Flow Benefit. In calculating new low cost facility latch Cash Contribution, only Cash Contribution relating to the existing Columbus book of business (limited to part numbers in production as of the Closing Date and subsequent part numbers of such Products pursuant to routine engineering work orders; i.e., excluding engineering changes involving a subsequent customer's request-for-quotation process) being relocated will be taken into account.

The amounts payable to Delphi Automotive Systems LLC by Buyer pursuant to this Section 3.4.3 are referred to as the **"Post-Closing Payments"**.

L. Allow any Permit relating to the Business to lapse or fail to renew any such Permit; or

M. Agree or commit to do any of the foregoing.

N. Knowingly take any action that causes any JV Company to take any action or to fail to take any action as is proscribed under this Section 6.1 with respect to the business, assets or liabilities of such JV Company, as applicable.

6.2 Bankruptcy Actions:

6.2.1 As soon as practicable after the execution of this Agreement, Delphi will, and will cause the other Sellers that are Filing Affiliates to, file a motion or motions (and related notices and proposed orders) with the Bankruptcy Court seeking approval of the Bidding Procedures Order and entry of a Sale Approval Order.

6.2.2 Delphi will use commercially reasonable efforts to comply (or obtain an order from the Bankruptcy Court waiving compliance) with all requirements under the Bankruptcy Code and Federal Rules of Bankruptcy Procedure in connection with obtaining approval of the sale of the Purchased Assets under the Agreement, including serving on all required Persons in the Bankruptcy Cases, notice of the Sale Motion, the Sale Hearing (as hereinafter defined) and the objection deadline in accordance with Rules 2002, 6004, 6006 and 9014 of the Federal Rules of Bankruptcy Procedure (as modified by orders of the Bankruptcy Court), the Bidding Procedures Order or other orders of the Bankruptcy Court, and any applicable local rules of the Bankruptcy Court.

6.3 Assumed U.S. Contracts; Cure Amounts. No later than as soon as practicable after the Auction, Delphi will, pursuant to a motion (which motion may be incorporated into the Sale Motion), move to assume and assign to Buyers the Pre-Petition Contracts listed on Schedule 6.3 (collectively, the "**Assumed U.S. Contracts**") and will provide notice thereof in accordance with all applicable Bankruptcy Rules as modified by orders of the Bankruptcy Court. Seller will pay Cure Amounts as agreed to by Delphi and each party to an Assumed U.S. Contract or, absent such agreement, by order of Bankruptcy Court in the time and manner specified by the Sale Approval Order.

6.4 Non-Competition:

6.4.1 Delphi and each Seller undertake and agree with Buyers that for a period of five (5) years after the Closing Date (the "**Restricted Period**"), except with the consent of Buyers' Representative, neither Delphi nor any Seller will not, and will procure that each Affiliate thereof will not, either on its own account or in conjunction with or on behalf of any person, firm or company, whether by sales, marketing or other activities, carry on or be engaged, whether as a shareholder, director, employee, partner or agent in carrying on any business which is engaged in the design, development, manufacture, remanufacture or sale of Products as carried on by the Business currently or at the Closing Date (a "**Competitive Business**"); provided, however, that the restrictions contained in this Section 6.4.1 will not prohibit, in any way, (i) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of a non-controlling ownership interest in any Person or a division or business unit thereof, or any other entity engaged in a Competitive Business, if the Competitive Business accounts for fifteen (15%) percent or less of the sales or fifteen (15%) percent or less of the value of the acquired business at the date of such acquisition (whichever is the greater), but in no event having greater than \$25 million in gross sales of products of the Competing Business; (ii) the acquisition by Delphi or any of its Affiliated companies, directly or indirectly, of less than five (5%) percent of the publicly traded stock of any Person engaged in a Competitive Business; (iii) consistent with Delphi's troubled supplier practices relating to assuring supply of its Products to Delphi's OE customers so as to prevent a production interruption at such customers, any direct or indirect activities of Delphi or any Delphi Affiliate to advise, operate, manage or finance a troubled supplier of Delphi or its Affiliates, provided that Seller would use all commercially reasonable efforts to re-source the affected products as soon as practicable (within ninety (90) days unless Buyer consents to a longer period) and provide Purchaser with an opportunity to bid on such re-sourced products that are competitive with the Product; or (iv) the design, development, manufacture, remanufacture or sale of cinching latches and strikers, CRFMs and other HVAC products and the Excluded Products.

6.4.2 As a separate and independent covenant, Delphi and each Seller undertake and agree with Buyers that for the Restricted Period, except with the consent of Buyers' Representative, neither Delphi nor any Seller will, and Delphi will procure that each Affiliate thereof will not, either for its own account or in conjunction with or on behalf of any person, firm or company, for the purpose of carrying on any Competitive Business, call upon, solicit, advise or otherwise do, or attempt to do, business with any customers of the Business.

6.4.3 In the event that the covenants contained in Section 6.4.1 or Section 6.4.2 are more restrictive than permitted by Law, the Parties agree that the covenants contained in Section 6.4.1 or Section 6.4.2 will be enforceable and enforced to the extent permitted by Law.

6.4.4 The Restricted Period shall be extended by the length of any period during which Delphi or any Seller is determined by a Court of competent jurisdiction, to be in breach of the terms of this Section 6.4.

6.4.5 Delphi acknowledges that the covenants set forth in this Section 6.4 are an essential element of this Agreement and that, but for the agreement of Delphi to comply with these covenants and agreement of Delphi to ensure that all of its Affiliates

comply with these covenants, the Buyers would not have entered into this Agreement. Delphi acknowledges that: (i) this Section 6.4 constitutes an independent covenant that shall not be affected by performance or nonperformance of any other provision of this Agreement by the Buyers other than payment of the entire Purchase Price; (ii) \$10 million of the Purchase Price shall be consideration allocable to such independent covenant (without limiting Buyers' rights for indemnification purposes hereunder to be allocated among the Sellers on a pro rata basis consistent with the Allocation); (iii) if any covenant of Delphi set forth in this Section 6.4 were not performed in accordance with its specific terms or were otherwise breached, irreparable damage would occur, no adequate remedy at law would exist and damages would be difficult to determine, and that the Buyers shall be entitled to specific performance of the terms of this Section 6.4, in addition to any other remedy at law or equity; and (iv) Delphi has independently consulted with their counsel and after such consultation agree that the covenants set forth in this Section 6.4 are reasonable and proper.

6.5 Tax Matters; Cooperation; Preparation of Returns; Tax Elections:

6.5.1 Seller will be responsible for the preparation and filing of all Tax Returns for the JV Company(ies) that are due on or prior to the Closing Date, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. JV Company(ies) will make any payments required to be made with these returns. Buyer will be responsible for the preparation and filing of all Tax Returns for the JV Company(ies) that are due after the Closing Date, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. JV Company(ies) will make any payments required to be made with these returns.

6.5.2 Seller will be responsible for the preparation and filing of all Tax Returns relating to the Acquired Assets for all periods ending on or prior to the Closing Date, including amended returns, applications for loss carryback refunds and applications for estimated tax refunds. Seller will make any payments required to be made with these returns.

6.5.3 Buyer shall prepare and file all Tax Returns relating to all real property Taxes, personal property Taxes or similar ad valorem obligations (collectively, "**Property Taxes**") levied with respect to the Acquired Assets for any taxable period that begins before the Closing Date and ends after the Closing Date (each such taxable period, a "**Straddle Period**"), whether imposed or assessed before or after the Closing Date, other than Straddle Period Tax Returns that Seller is required to file by applicable law. Seller shall be liable for and shall indemnify Buyer, its Affiliates and each of their respective officers, directors, employees, stockholders, agents and representatives against all liability for the entire amount of Property Taxes levied for the Straddle Period multiplied by a fraction the numerator of which is the number of days in the Tax period ending on the Closing Date and the denominator of which is the number of days in the entire Tax period. Buyer shall be liable for and shall indemnify Seller, its Affiliates and each of their respective officers, directors, employees, stockholders, agents and representatives against all liability for the entire amount of Property Taxes levied for the Straddle Period multiplied by a fraction the numerator of which is the number of days in the Tax period beginning on the day following the Closing Date and the denominator of which is the number of days in the entire Tax period. Any credits relating to a Straddle Period shall be taken into account as though the relevant Straddle Period ended on the Closing Date. All determinations necessary to give effect to the foregoing allocations

shall be made in a manner that does not accelerate deductions or defer income. With respect to any such Straddle Period returns or filings, the non-filing party shall pay to the filing party, not later than five (5) Business Days before the due date for payment of such Property Taxes levied for the Straddle Period, provided that the non-filing Party has received notice of the allocation at least ten (10) Business Days prior to the due date for payment under this Section 6.5.3, an amount equal to the portion of such Property Taxes levied for the Straddle Period for which the non-filing party is liable under this Section 6.5.3, and the filing party shall, promptly following the filing thereof, provide the non-filing party with a copy of such return or other filing and a copy of a receipt showing payment of any such Property Taxes levied for the Straddle Period. If notice of the allocation is not provided to the non-filing party at least fifteen (15) Business Days prior to the due date for payment under this Section 6.5.3, the non-filing party shall pay fifteen (15) days after receipt of notice, but shall have no liability if the payment is not made at least five (5) Business Days before the due date for payment of such Property Taxes levied for the Straddle Period. For any Property Tax Returns for the Straddle Period which the Seller was required by law to file prior to the Closing Date, the Seller shall provide an allocation between Seller and Buyer of the Property Taxes reflected on such returns, applying this Section 6.5.3 and taking into account all payments made as of the Closing Date, as soon as practicable following Closing. The Party with a net liability to the other Party shall make a payment in settlement of the net liability within fifteen (15) days following the date on which the allocation is provided. Any payments under this Section 6.5.3 shall be treated as purchase price adjustments under Article 3.

6.5.4 Buyers will be responsible for the preparation and filing of all Tax Returns relating to the Acquired Assets for all periods beginning after the Closing. Buyers or Buyers will make all payments required with respect to any such Tax Return.

6.5.5 Sellers and Buyers will use commercially reasonable efforts and cooperate in good faith to exempt the sale, conveyance, assignments, transfers, and deliveries to be made to the Buyers hereunder from any federal, state, county, local, foreign and other transfer, documentary, sales, use, registration, recording, stamp, value-added and other such taxes (including all applicable real estate transfer taxes, but excluding any taxes based on or attributable to income or gains) and related fees (including notarial fees as well as any penalties, interest and additions to tax) ("**Transfer Taxes**") payable in connection with such sale, conveyance, assignments, transfers and, deliveries, to the extent provided in the Sale Approval Order, in accordance with Section 1146(c) of the Bankruptcy Code. If Bankruptcy Court approval is granted for such exemption, then any instrument transferring the acquired assets to the Buyers will contain the following endorsement:

Because the transactions contemplated by this Agreement have been authorized pursuant to Order of the United States Bankruptcy Court for the Southern District of New York relating to a chapter 11 plan of [Seller], they are exempt from transfer taxes, stamp taxes, or any other similar taxes pursuant to 11 U.S.C. § 1146(c).

To the extent not exempt under Section 1146 of the Bankruptcy Code and approved in the Sale Approval Order, such Transfer Taxes arising out of or incurred in connection with this Agreement will be borne solely by Buyers. The party that is legally required to file a Tax Return relating to Transfer Taxes will be responsible for preparing and timely filing such Tax Return. Delphi will prepare the Transfer Tax returns for which Delphi is

responsible as soon as is practicable and provide the Buyers with a copy to review. Buyers agree to provide Delphi with comments and the amount of transfer tax to be paid in sufficient time to enable Delphi to timely file the return and pay the Transfer Tax.

6.5.6 Buyers and Sellers will cooperate, or cause their Affiliates to cooperate, in connection with: (i) the preparation and filing of any Tax Return, Tax election, Tax consent or certification or any claim for a Tax refund; (ii) any determination of liability for Taxes; and (iii) any audit, examination or the prosecution or defense of any claim, suit or other proceeding in respect of Taxes related to the Business or the Acquired Assets. Buyer and Seller agree to furnish or cause their Affiliates to furnish to each other upon request, as promptly as practicable, such information and assistance relating to the Acquired Assets, the JV Companies, or the Business (including access to books and records) as is reasonably necessary to so cooperate. Buyer and Seller or their Affiliates shall each execute and deliver such other documents as are necessary to carry out the intent of this Section 6.5. Buyer and Seller shall provide, or cause their Affiliates to provide, timely notice to each other in writing of any pending or threatened Tax audits, assessments or litigation with respect to the Acquired Assets or the Business for any taxable period for which the other party may have liability under this Agreement. Buyer and Seller shall furnish, or cause their respective Affiliates to furnish, to each other copies of all correspondence received from any Taxing Authority in connection with any Tax Audit or information request with respect to any taxable period for which the other party or its Affiliates may have liability under this Agreement.

6.5.7 Buyers will not make any election under Internal Revenue Code Section 338 for any JV Company.

6.6 Employee Matters:

6.6.1 Transferred Employees. Sellers will update Schedule 4.11.1 as of the day prior to Closing:

A. Subject to Section 6.6.1.B, Section 6.6.1.H, and Section 6.6.3, effective as of the Closing, the relevant Buyer will offer employment to all U.S. Employees, other than Inactive Employees, and Non-U.S. Employees with such new employment to commence (if accepted, whether by reporting to work or otherwise) with effect from the Closing; provided, however, that, the relevant Buyer will assume the employment Contracts listed on Schedule 6.6.1 of any Non-U.S. Employees in accordance with applicable Transfer Regulations. In addition, the relevant Buyer will: (i) employ the employees of Sellers or Sellers' Affiliates (for the purpose of this Section 6.6.1.A, Seller's Affiliates will include Korea Delphi Automotive Systems Corporation) currently seconded to either of the JV Companies, in accordance with applicable terms of employment; or (ii) elect to retain such employees through an employment contract company (e.g., FESCO); in any case, in accordance with applicable Laws and Transfer Regulations. Buyers will comply with all requirements of the Transfer Regulations, including assuming and recognizing the seniority status of such employees for all purposes of the continued employment with the relevant Buyer.

B. Subject to the next sentence, Buyer will offer employment to all but up to five (5) active U.S. Salaried Employees, other than Inactive Employees who will transfer in accordance with Section 6.6.3, who primarily support the

Business, including: (i) all salaried employees at the Adrian, Michigan; Gadsden, Alabama; and Cottdale, Alabama Manufacturing Facilities; and (ii) salaried employees who primarily support the Business in the case of the Vandalia, Ohio technical center, and the Troy, Michigan technical center and corporate offices. The foregoing obligation would not apply to employees ineligible for employment by Buyer based on "cause" as previously identified in Buyer's due diligence and mutually agreed by the parties which will not be unreasonably withheld. For all U.S. Salaried Employees, except as otherwise provided herein, Buyers' offer of employment will include salary and benefits packages that are substantially comparable in the aggregate to those in place immediately prior to Closing. Prior to tendering such offers, Buyers will provide Sellers with information sufficient to satisfy Sellers (not to be unreasonably withheld) that such offers meet the "substantially comparable in the aggregate" requirement. Sellers' satisfaction that Buyers' offers meet this requirement will not be unreasonably withheld. For all such U.S. Salaried Employees, Buyers will maintain the requisite level of compensation and benefits for a minimum of twelve (12) months following the Closing Date; provided, however, that, where the level of compensation and benefits of any such employees is governed by a Contract containing a different duration provision and referred to in Schedule 6.6.1, Buyers will abide by the terms of such Contract.

C. For all U.S. Hourly Employees or Non-U.S. Employees, Buyer's offer of employment (or assumption of employment Contract as applicable for any Non-U.S. Employees) will be on the same terms, at the same level of compensation and with the same benefits in effect immediately prior to Closing. The specific terms governing the offer of employment to any Non-U.S. Employee will be as set forth in the applicable Transfer Agreement and in compliance with applicable Transfer Regulations.

D. Sellers will retain responsibility for all Liabilities for workers' compensation benefits related to injuries or illnesses incurred by Transferred U.S. Employees prior to the Closing, provided that claims for such Liabilities are filed within twelve (12) months of the Closing. All other such Liabilities will be the responsibility of Buyer.

E. Regardless of the vesting date, Sellers will be responsible for the amount of all accrued and unutilized vacation pay and any profit sharing or incentive compensation of Transferred U.S. Employees due for the calendar year in which the Closing occurs on a pro-rata basis using the number of days worked by the Transferred U.S. Employees for Seller or other Seller-Affiliated employer.

F. Buyers will assume all accrued pension and vacation pay liabilities for all Transferred Non-U.S. Employees, as set forth in the Transfer Agreements.

G. Seller will remain responsible for all employment rights of Transferred U.S. Employees incurred or vesting prior to the Closing, except as otherwise provided in this Section 6.6, and will retain all assets relating thereto, including training funds in connection with Seller U.S. Collective Bargaining Agreements.

H. Schedule 6.6.1.H lists the U.S. Hourly Employees who, as of the Closing Date, are or may become eligible for traditional pension benefits under the Delphi Hourly-Rate Employees Pension Plan ("**Delphi HRP**") (i.e., pension benefits other than cash balance benefits provided in accordance with the Individual Retirement Plan provisions of the Delphi HRP) and their union affiliation (i.e., UAW or IUE-CWA). Seller will continue to employ the U.S. Hourly Employees listed on Schedule 6.6.1.H and will lease such U.S. Hourly Employees (hereinafter "**Leased U.S. Hourly Employees**") to Buyer until such time as benefit accruals under the Delphi HRP are frozen in accordance with the "**Term Sheet – Delphi Pension Freeze and Cessation of OPEB, and GM Consensual Triggering of Benefit Guarantee**" (i.e., Attachment B of the 2007 UAW-Delphi-GM Memorandum of Understanding – Delphi Restructuring dated June 22, 2007 or Attachment B of the IUE-CWA-Delphi-GM Memorandum of Understanding – Delphi Restructuring dated August 5, 2007, as applicable) (hereinafter the "**Benefit Guarantee Term Sheet**"), but in no event for a period longer than nine (9) months following Closing unless Buyer agrees otherwise (which agreement Buyer may withhold in its sole discretion). Subject to the preceding sentence, once the Delphi HRP is frozen in accordance with the Benefit Guarantee Term Sheet, Buyer will offer employment to the Leased U.S. Hourly Employees and, if accepted, such Leased U.S. Hourly Employees will become Transferred Employees. For and in relation to the lease period, Buyer will reimburse Seller for all of Seller's employment-related costs, including wages and benefits, associated with the Leased U.S. Hourly Employees at the rate of \$34.67 per hour worked for production employees and \$59.40 for skilled trades employees.

6.6.2 Collective Bargaining Agreements. Buyers will assume the terms and conditions of all Collective Bargaining Agreements referred to in Schedule 6.6.1 that relate to Non-U.S. Employees, in accordance with applicable Transfer Regulations. Buyers will assume the terms and conditions of the Collective Bargaining Agreements applicable at the Cottdale, Alabama; Adrian, Michigan; and Gadsden, Alabama Manufacturing Facilities as such terms and conditions may be modified by mutual agreement of the Buyer and the respective unions prior to Closing and subject to a Memorandum of Understanding between Seller and the respective Union regarding the effects of the sale upon the bargaining unit members (the "**Effects MOU**"); provided, however, that Buyer will not assume any obligation or liabilities under the Effects MOUs or under Seller Employee Benefit Plans referred to in such Collective Bargaining Agreements but rather will establish Buyer-sponsored employee benefit plans which are consistent with the terms and conditions of such Collective Bargaining Agreements; and, provided, further, that the assumed Collective Bargaining Agreements will apply only to U.S. Hourly Employees who become Transferred Employees, and other individuals hired by Buyer after Closing. Buyers will recognize the seniority status of all Transferred Employees who are employed in accordance with a Collective Bargaining Agreement for all purposes of continued employment with Buyers.

6.6.3 Inactive Employees:

A. U.S. Employees who are not active employees as of the Closing ("**Inactive Employees**") due to disability, family medical leave or other approved leave of absence will remain Sellers' responsibility until such employee is ready

to return to active employment in accordance with Sellers' leave policies and Section 6.6.3.B below.

B. When an Inactive Employee is ready to return to active status in accordance with Sellers' leave policies, Buyers will offer employment to such individual in accordance with Section 6.6.1 and, provided such individual accepts Buyers' offer of employment, such individual will be considered a Transferred Employee as of the date such individual reports to work with Buyers for active duty. In the event that an employee is seeking to return to active employment from a medical-based leave, such individual's fitness for active employment must be approved by both Sellers and Buyers; provided that such process does not violate any applicable Collective Bargaining Agreement or Law.

C. If Sellers and Buyers do not agree as to an individual's fitness for active employment, the issue will be submitted to an independent medical evaluator, whose determination will be final and binding on the Parties. The cost of such independent medical evaluation will be shared equally by the Parties.

6.6.4 Employee Benefit Plans:

A. Buyers will assume all accrued pension liabilities for all Transferred Non-U.S. Employees, in accordance with the applicable Transfer Regulations and as set forth in this Agreement or the Transfer Agreements.

B. Subject to Section 6.6.4.E below, Transferred U.S. Employees' and their dependents' and beneficiaries' participation in and eligibility for benefits under the Seller Employee Benefit Plans (other than vested pension benefits) will cease as of the Closing. Notwithstanding the preceding sentence, the Seller Employee Benefit Plans which are welfare plans as defined under ERISA will retain liability for all claims incurred by the Transferred U.S. Employees and their dependents and beneficiaries prior to the Closing, including claims which are not submitted until after the Closing. A claim will be deemed incurred, as applicable:

(i) On the date of the occurrence of death or dismemberment in the case of claims under life insurance and accidental death and dismemberment Seller Employee Benefit Plans;

(ii) On the date on which the service or treatment is provided in the case of claims under medical, hospital, dental and similar Seller Employee Benefit Plans; or

(iii) On the date immediately following a Transferred U.S. Employee's last day worked on which a physician legally licensed to practice medicine certifies to total disability under the applicable disability Seller Employee Benefit Plans.

C. Transferred U.S. Employees' and their dependents' and beneficiaries' participation in and eligibility for benefits under the Buyers' Employee Benefit Plans will commence as of the Closing. Buyers will not assume any Seller Employee Benefit Plans applicable to Transferred U.S. Employees or any Assets or Liabilities relating to:

(i) Any Employee Benefit Plan which Sellers or any of their subsidiaries maintain, contribute to or have any obligation to contribute to;

(ii) Any Employee Benefit Plan to which Sellers or any of their subsidiaries have incurred or expect to incur liability, direct or indirect, contingent or otherwise, under Title IV of ERISA with respect to the termination of, or withdrawal from, any Employee Benefit Plan;

(iii) Any accumulated funding deficiency (as defined in Section 302 of ERISA) that has occurred, exists or is reasonably expected to occur with respect to any Employee Benefit Plan subject to Title IV of ERISA with respect to which Sellers or any of their Affiliates have or may have any Liability, direct or indirect, contingent or otherwise; or

(iv) Claims of the U.S. employees of Sellers or their Affiliates (or a dependent thereof who becomes a "qualified beneficiary" within the meaning of Section 4980B(g)(1) of the Internal Revenue Code) related to compliance with the requirements of continuation coverage under Section 4980B of the Internal Revenue Code or Section 601 of ERISA or as a result of any "qualifying event" within the meaning of Section 4980B(f)(3) of the Internal Revenue Code which occurs prior to the Closing.

D. Buyers will recognize a Transferred U.S. Salaried Employee's pre-Closing credited service with Seller for eligibility and vesting purposes but not benefit accrual purposes with respect to any Employee Benefit Plans of any Buyer. However, in no case will credited service be recognized under this provision if such recognition will cause a duplication of compensation or benefits as between Sellers and Buyers.

E. Buyer will not provide transferred U.S. Salaried Employees with a defined benefit plan, but will provide a defined contribution plan. Seller will retain all assets and liabilities under Seller's defined benefit pension plan for the benefits accrued prior to Closing for any transferred U.S. Salaried Employees. Subject to Seller obtaining the requisite government approvals to do so, Seller's defined benefit plan will continue to recognize service at Buyer for purposes of vesting and eligibility (but not benefit accrual) provided that Buyer will reimburse Seller quarterly solely for the service cost of Seller's pension supplement as set forth in Part A, Article I, Section 2 of the Delphi Retirement Program for Salaried Employees. The annual service cost Buyer pays Seller will be based upon the Seller's SFAS 87 assumptions in Seller's then most-recent annual report subject to it being reasonably acceptable to Buyer's actuary. Other than reimbursement for the service cost relating to the pension supplement, Buyer will have no obligation relating to Seller's defined benefit plan.

F. Buyer will not provide retiree welfare benefits (including retiree medical benefits and life insurance) to Transferred U.S. Salaried Employees. Sellers will retain all liability and responsibility for retiree welfare benefits for Transferred U.S. Salaried Employees who are eligible to retire from Sellers as of the Closing. With regard to transferred U.S. Salaried Employees who are not eligible to retire as of the Closing but who are eligible for retiree welfare benefits:

(i) Buyer will pay to Delphi the annual service cost of the Delphi retiree medical benefits being earned by such Transferred U.S. Salaried Employees for the years employed by Buyer up to the date such employees' eligibility requirements have been fulfilled; and

(ii) Buyer will pay to Delphi the annual service cost of the Delphi retiree life insurance being earned by such Transferred U.S. Salaried Employees for the years employed by Buyer up to the date such employees actually retire from Buyer.

On an annual basis, Buyer will pay to Delphi the above annual service costs under Delphi's benefit plans associated with retiree welfare benefits for the Transferred U.S. Salaried Employees. If a Transferred U.S. Salaried Employee leaves the employ of Buyers prior to his being eligible to retire with retiree welfare benefits in accordance with Seller's applicable retiree welfare benefit plans, the service cost previously paid by Buyers for such employee will be deducted from any future contribution by Buyer. Seller will provide such retiree welfare benefits in accordance with the Seller retiree welfare benefit plans in effect on or after the date such Transferred U.S. Salaried Employee actually retires. The annual service cost Buyer pays Delphi will be based upon the Seller's SFAS 106 assumptions in Seller's then most-recent annual report, subject to it being reasonably acceptable to Buyer's actuary.

G. Pension and retiree welfare benefits received from Seller (contingent on Buyers' reimbursements for pension and retiree medical service costs under Section 6.6.4.E and 6.6.4.F) shall be included in determining Buyers' satisfaction of the "substantially comparable in the aggregate" requirement in Section 6.6.1.B.

H. Severance. Buyers will be responsible for all obligations and liabilities relating to any claims for severance, termination (actual or constructive), redundancy, change in control agreements or other payments or benefits by Transferred U.S. Employees arising from the transactions contemplated under this Agreement and based on Buyer's actions following the Closing; provided, however, that Seller will be responsible for reimbursing all severance amounts incurred by Buyer for the number of U.S. Hourly Employees who at the Closing Date are manufacturing HVAC products under the Adrian Manufacturing Services Agreement, within ten (10) Business Days after receipt of an invoice reasonably detailing all such severance amounts actually incurred by Buyer for hourly Transferred Employees upon termination of the Adrian Manufacturing Services Agreement.

I. Employee Benefits of U.S. Hourly Employees. On or before Closing the Parties will agree as to the mechanics of the "our watch, your watch" details of this Section 6.6.4, as relates to U.S. Hourly Employees who become Transferred Employees.

6.6.5 COBRA. Seller will retain responsibility for all liabilities, obligations, commitments, costs and expenses for claims of the Transferred U.S. Employees (or a dependent thereof who becomes a "qualified beneficiary" within the meaning of

Section 4980B(g)(1) of the Internal Revenue Code) related to compliance with the requirements of continuation coverage under Section 4980B of the Internal Revenue Code or Section 601 of ERISA or as the result of any "qualifying event" within the meaning of Section 4980B(f)(3) of the Internal Revenue Code which occurs at or prior to the Closing.

6.6.6 WARN Act. Buyers will assume all post-Closing obligations and liabilities relating to WARN Act or other similar notice Laws, if any, by Transferred Employees arising from the transactions contemplated under this Agreement.

6.6.7 Grievances. Seller will retain responsibility to administer and all liability for labor union grievances and arbitration proceedings (collectively the "**Grievances**") involving claims of Transferred U.S. Hourly Employees incurred prior to the Closing, but only if Buyer notifies Seller within one (1) year after Closing of any Grievances filed after the Closing which relate to claims incurred prior to the Closing. Buyer will be responsible to administer and bear all liability for Grievances involving claims incurred after the Closing and Grievances involving claims incurred prior to the Closing to the extent that Seller was not provided notice of any such Grievances within one (1) year of Closing. To the extent the administration or resolution of any Grievances requires both the Buyers' and Sellers' participation, the following apply:

A. Buyers and Sellers will cooperate in the defense of the Grievances.

B. Buyers will not settle any Grievance without Sellers' consent if such settlement will result in Liability for Seller. Such consent will not be unreasonably withheld.

C. Sellers will not settle any Grievance without Buyers' consent if such settlement will result in Liability for Buyers. Such consent will not be unreasonably withheld.

D. If the seniority of an employee is reinstated as a result of the disposition of a Grievance or Governmental Order, Buyer will reinstate the employee as if such employee had been a Transferred U.S. Hourly Employee as of the Closing.

E. For Transferred U.S. Hourly Employees who have been continuously employed, back pay Liability to the extent relating to an event, occurrence or cause of action arising prior to the Closing will be allocated to Seller. Liability relating to an event, occurrence or cause of action arising subsequent to the Closing will be allocated to Buyer.

F. For employees who become Transferred U.S. Hourly Employees because they are reinstated through the grievance procedure, back pay Liability relating to periods prior to the Closing will be allocated to Seller. Liability relating to periods subsequent to the Closing will be allocated to Buyer.

G. The Parties will discuss treatment of Grievances involving unusual circumstances or events that continue before and after the Closing.

H. If either party withholds consent to a settlement or processing of a Grievance recommended by the other party or elects to continue to defend the Grievance, then such party will be liable for the portion of the Liabilities resulting from the ultimate disposition of such Grievance (or subsequent settlement) which is in excess of the liability that would have resulted from the settlement recommended and rejected.

6.6.8 Cooperation. Sellers and Buyers will provide each other with such records and information as may be reasonably necessary, appropriate and permitted under applicable Law to carry out their obligations under this Section 6.6.

6.6.9 Union and Works Council Notifications. Sellers and Buyers will reasonably cooperate in connection with any notification required by Law to, or any required consultation with, or the provision of documents and information to, the employees, employee representatives, work councils, unions, labor boards and relevant government agencies and governmental officials concerning the transactions contemplated by this Agreement.

6.6.10 Non-Solicitation. Delphi and each Seller, in each case on behalf of itself and its Affiliates (collectively, "**Restricted Parties**"), agree, for a period of five (5) years following Closing: (i) not to offer to employ any of the salaried Transferred Employees of the Business; and (ii) not to employ or offer to employ any of the individuals listed on Schedule 6.6.10 hereto; in each case without Buyer's prior consent (not to be unreasonably withheld). Notwithstanding the foregoing, the Restricted Parties may employ any individuals referred to in clause (i) above who either: (a) respond to a general advertisement that is not targeted specifically at the salaried Transferred Employees; or (b) have been terminated by Buyer prior to commencement of employment discussions with a Restricted Party.

6.6.11 Amendment of Buyer Plans. Subject to Buyers' compliance with its obligations under Section 6.6.1.B (twelve (12) month requirement) and Section 11.3.1, nothing in this Section 6.6 shall prevent the amendment or termination of any Employee Benefit Plan of any Buyer or limit the right of Buyer or any of its Affiliates to terminate the employment of any Transferred Employee at any time. Without limiting the generality of Section 12.13, nothing in this Section 6.6, express or implied, is intended to or shall confer upon any Transferred Employee any right, benefit or remedy of any nature whatsoever against Buyers or their Affiliates.

6.7 Contact with Customers and Suppliers. Prior to the Closing, except in the ordinary course as a supplier to certain customers and without discussing the Sale, Buyers and their Affiliates and their respective representatives will contact and communicate with the Transferred Employees, customers, suppliers and licensors of the Business in connection with the transactions contemplated by this Agreement only with the prior consent of Delphi, which consent shall not be unreasonably withheld and, except with respect to General Motors, may be conditioned upon a designee of Delphi being present at any such meeting or conference.

6.8 Technical Documentation. Sellers have delivered, or will deliver on or before the Closing, to the Buyer, a copy of all Technical Documentation included in the Acquired Assets. For a period of not less than ten (10) years commencing at the Closing, Buyers will use reasonable efforts to maintain all Technical Documentation applicable to Product design, test, release and validation at a location at which it will be reasonably accessible to Delphi upon

Seller's request where such access is reasonably necessary in connection with the defense of litigation or Claims brought against Seller by a third party, an investigation or inquiry by a Governmental Authority, or third party subpoenas. During such ten (10) year period, Buyers will not destroy or give up possession of the final copy of such Technical Documentation without offering Delphi the opportunity to obtain a copy of such documentation at Delphi's expense but without any payment to Buyers.

6.9 Books and Records and Litigation Assistance From and After Closing:

6.9.1 Buyers will preserve and keep all books, records, computer files, software programs and any data processing files delivered to Buyer by Seller and its Affiliates pursuant to the provisions of this Agreement for a period of not less than five (5) years from the Closing Date, or for any longer period as may be required by any Law, Governmental Entity Order or in connection with any ongoing litigation, audit or appeal of Taxes, or Tax examination, at Buyer's sole cost and expense. During such period, Buyer will: (i) provide Seller with such documents and information as necessary, consistent with past practice, to complete the accounting books and records of each facility included within the Business; and (ii) make such books and records available to Seller and its Affiliates as may be reasonably required by Seller and its Affiliates in connection with any legal proceedings against or governmental investigations of Seller and its Affiliates or in connection with any Tax examination, audit or appeal of Taxes of Seller and its Affiliates, the Business or the Acquired Assets. Seller or its Affiliates will reimburse Buyer for the reasonable out-of-pocket expenses incurred in connection with any request by Seller to make available records pursuant to the foregoing sentence. In the event Buyer wishes to destroy or dispose of such books and records after five (5) years from the Closing Date, it will first give not less than ninety (90) days' prior written notice to Seller, and Seller will have the right, at its option, upon prior written notice given to Buyer within sixty (60) days of receipt of Buyer's notice, to take possession of said records within ninety (90) days after the date of Buyer's notice to Seller hereunder.

6.9.2 Buyers will, from time to time, at the reasonable request of Sellers, cooperate fully with Sellers in providing Sellers and their Affiliates (as appropriate) (to the extent possible through Transferred Employees) with technical assistance and information in respect to any claims brought against Sellers and their Affiliates involving the conduct of the Business prior to Closing, including consultation and/or the appearance(s) of such persons on a reasonable basis as expert or fact witnesses in trials or administrative proceedings. Sellers will reimburse Buyers and their Affiliates for their reasonable, actual direct out-of-pocket costs (travel, employee time (other than for clerical services), hotels, etc.) of providing such services. In particular, Buyers, for themselves and on behalf of their Affiliates, agree to: (i) retain all documents required to be maintained by Law and all documents that may be reasonably required to establish due care or to otherwise assist Sellers and their Affiliates in pursuing, contesting or defending such claims; (ii) make available their documents and records in connection with any pursuit, contest or defense, including documents that may be considered to be "confidential" or subject to trade secret protection (except that: (a) no documents or records protected by the attorney client privilege in favor of Buyers and their Affiliates must be made available if making these documents or records available would cause the loss of this privilege (in any case, however, Buyers must notify Sellers of the existence of such privileged documents); and (b) Sellers and their Affiliates will agree to keep confidential documents and records that are confidential or are subject to trade secret protection); (iii) promptly respond to discovery requests in connection with such claim,

understanding and acknowledging that the requirements of discovery in connection with litigation require timely responses to interrogatories, requests to produce and depositions and also understanding and acknowledging that any delays in connection with responses to discovery may result in sanctions; (iv) make available, as may be reasonably necessary and upon reasonable advance notice and for reasonable periods so as not to interfere materially with Buyers' business, mutually acceptable engineers, technicians or other knowledgeable individuals to assist Sellers and their Affiliates in connection with such claim, including investigation into claims and occurrences described in this section and preparing for and giving factual and expert testimony at depositions, court proceedings, inquiries, hearings and trial; and (v) make available facilities and exemplar parts for the sole and limited use of assisting Sellers and their Affiliates in the contest or defense.

6.10 Corporate Names:

6.10.1 Buyers will have the right (including the right to authorize their relevant Affiliates) to continue to sell or dispose of any existing inventories or service materials of the Business in existence at the Closing and bearing any trademark, service mark, trade name or related corporate name of Delphi or any Affiliate of Delphi for a period of no more than ninety (90) days after the Closing Date (one hundred eighty (180) days for engineering drawings) in a manner consistent with past practice of the Business and the name and reputation associated therewith, provided that Buyers and their Affiliates will clearly indicate to recipients of such written materials that the Business is owned by Buyers and their Affiliates and is no longer affiliated with, and Buyer and its Affiliates do not represent, the Sellers or any Affiliate of Seller.

6.10.2 After the expiration of the applicable period set forth in Section 6.10.1, Buyers will not use, and will use commercially reasonable efforts to cause the JV Companies not to use, the name "Delphi" and any trademarks, trade names, brandmarks, brand names, trade dress or logos relating or confusingly similar (including on any signs, billboards, advertising materials, telephone listings, web sites, labels, stationery, office forms, packaging or other materials) in connection with the Business or otherwise. No later than forty-five (45) days before the Closing Date, Buyer shall submit a company name change request to Seller for review. Upon the agreement by the Parties on such name change, Seller will be responsible for registering such new name with the relevant government authority, provided that Buyer shall provide all necessary assistance and documents required to achieve that effect.

6.10.3 If not completed prior to Closing, consistent with the terms of applicable JV Company Contracts included in the Acquired Assets, Buyers will use all commercially reasonable efforts to cause each of the JV Companies to amend its certificate of incorporation, partnership agreement, limited liability company agreement and other applicable documents, in order to change the names of such companies to a name not containing the word "Delphi", with such changes to take effect pursuant to the terms of the respective transfer deed governing the sale of each JV Company.

6.10.4 Each of the Parties acknowledges and agrees that the remedy at Law for any breach of the requirements of this Section 6.10 would be inadequate, and agrees and consents that without intending to limit any additional remedies that may be available, temporary and permanent injunctive and other equitable relief may be granted

without proof of actual damage or inadequacy of legal remedy in any Proceeding which may be brought to enforce any of the provisions of this Section 6.10.

6.10.5 Notwithstanding the foregoing, nothing in this Section 6.10 shall prevent Buyers from selling all existing inventory for Chevrolet Malibu door module service parts and Fiat Stilo latch service parts until all such inventory has been sold, provided that such service parts are packaged in a manner to indicate that the Business is owned by Buyers and their Affiliates and is no longer affiliated with, and Buyer and its Affiliates do not represent, the Sellers or any Affiliate of Seller.

6.11 Intellectual Property Licenses:

6.11.1 License to Buyers. Delphi, on behalf of itself and its Affiliates, hereby grants to Buyers, as of the Closing Date, a worldwide, perpetual, paid-up, royalty free license to use the Shared Intellectual Property to develop, manufacture, use, import, export, offer to sell and sell Products and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith, subject to any restrictions arising from rights granted to third parties prior to the Closing Date; such license will be exclusive for a period of five (5) years after the Closing Date and nonexclusive after such period. Further, Delphi, on behalf of itself and its Affiliates, hereby grants to Buyers, as of the Closing Date, a sublicense for all Sublicensed Intellectual Property, said sublicense being subject to the terms of the applicable Contracts listed in Schedule 6.11.1, to develop, manufacture, import, export, offer to sell and sell Products, and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith; effective upon and for a period of five (5) years after the Closing Date, neither Delphi nor its Affiliates will further sublicense the Sublicensed Intellectual Property to develop, manufacture, import, export, offer to sell or sell Products. The license granted to Buyer under this Section 6.11.1 does not extend to the Excluded Products and is not assignable in whole or in part except to a purchaser of all or substantially all of the portion of the Business to which the license pertains.

6.11.2 License to Sellers. Buyers, on behalf of themselves and their Affiliates, hereby grant to Seller as of the Closing Date, a worldwide, perpetual, paid-up, royalty free, non-exclusive license to develop, manufacture, use, import, export, offer to sell and sell products and services of the type provided by Sellers and their Affiliates as of the Closing Date (other than the Products, but including Hybrid CrossCar Beams), and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith, using any Purchased Intellectual Property, subject to any restrictions arising from rights granted to third parties prior to the Closing Date. The license granted to Seller under this Section 6.11.2 also extends to the Hybrid CrossCar Beam.

6.11.3 Further Understandings. The licenses granted above in this Section 6.11: (i) include the right for the licensed party to sublicense to any of its Affiliates, to its and their successors, and to suppliers, customers and others in connection with the conduct of the businesses contemplated by this Agreement; and (ii) do not include any right to use any Trademark Rights. In addition, Sections 6.11.3.A-6.11.3.F detail certain rights concerning cinching latches and cinching strikers:

A. The remote cinching latch, power pulldown units and the Lincoln power cinching striker (the "**Transferred Cinching Products**") are Products and will be transferred with the Business. Owned Intellectual Property that is used primarily for Transferred Cinching Products is Purchased Intellectual Property and will be transferred with the Business.

B. The integral cinching latch, the advanced development power cinching striker and the advanced development power cinching latch (the "**Retained Cinching Products**") are Excluded Products and will not be transferred with the Business. Owned Intellectual Property that is used primarily for Retained Cinching Products ("**Retained Cinching Products Intellectual Property**") is not Purchased Intellectual Property but will be licensed as set forth in Section 6.11.3.C.

C. Buyers' license under Section 6.11.1 also includes the right to use Retained Cinching Products Intellectual Property to develop, manufacture, use, import, export, offer to sell and sell cinching and non-cinching latches and strikers and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith.

D. Delphi's license under Section 6.11.2 also includes the limited right to use Purchased Intellectual Property that is included in the Retained Cinching Products as of the Closing Date, to develop, manufacture, use, import, export, offer to sell and sell cinching latches and strikers for use with power closure drive systems sold by Delphi and its Affiliates and the successors to Delphi's power closure drive systems business, and for sale to Shanghai Delphi Automotive Door Systems Co., Ltd. and its successors, and to reproduce, prepare derivative works, distribute copies, perform and display copyrighted works in connection therewith.

E. The non-competition provisions of Section 6.4.1 do not prohibit development, manufacture, use, import, export, offer to sell and sale of cinching latches and strikers for use with power closure drive systems sold by Sellers and their Affiliates.

F. The non-competition provisions of Section 6.4.1 do not prohibit development, manufacture, use, import, export, offer to sell and sale of cinching and non-cinching latches and strikers by the successors to Delphi's power closure drive systems business. However, this Agreement does not provide a right for such successors to use Purchased Intellectual Property except as set forth in Section 6.11.3.D.

6.11.4 Post-Closing Intellectual Property. This Agreement does not grant Sellers any rights under any Intellectual Property created by Buyers after the Closing Date, and does not grant Buyers any rights under any Intellectual Property created by Sellers after the Closing Date.

6.12 Intentionally Omitted.

6.13 Competition Clearance:

6.13.1 Subject to the terms hereof, Buyers and Delphi agree to cooperate and to use commercially reasonable efforts to obtain, as promptly as practicable following the date hereof, any Governmental Approvals required for the Closing under the HSR Act, EC Merger Regulation and any other applicable Competition/Investment Law, to respond to any government requests for information thereunder, to contest and resist in good faith any action thereunder, and to have lifted or overturned any Governmental Order that restricts, prevents or prohibits the consummation of the transactions contemplated by this Agreement. The Parties will use commercially reasonable efforts to complete, no later than five (5) days after the Bid Deadline, Schedule 6.13.1, which includes a list of all countries in which competition filings may be required or appropriate. In this respect, Buyers will make (or continue to prosecute, if made previously) all the competition filings set forth in Schedule 6.13.1 no more than five (5) Business Days after the date such Schedule has been completed, and Buyers' Representative will: (i) promptly inform Delphi of all oral and written communications with any Governmental Authority in respect of any required Governmental Approval; (ii) give Delphi the opportunity to comment on all filings and any response prepared by Buyers prior to Buyers' submitting such response to the relevant Governmental Authority; and (iii) afford Delphi or any Seller designated by Delphi the opportunity to attend any meetings, telephone conferences or video conferences organized with the Governmental Authorities in relation to any required Governmental Approval. Notwithstanding the foregoing, the Parties agree that neither of them will make any voluntary filing under applicable foreign antitrust laws or regulations unless advised by legal counsel in such jurisdiction that the failure to make a filing could result in a Material Adverse Effect or otherwise be in violation of applicable Law. Each party hereto will promptly inform the other of any oral or other communication from any Governmental Authority regarding any of the transactions contemplated by this Agreement and the Ancillary Agreements. If the competition authority in any such country: (i) imposes conditions upon its approval of the transactions contemplated by this Agreement; or (ii) files a Proceeding before a Governmental Agency seeking to restrain or prohibit, or to obtain damages or other relief in connection with, the consummation of the transactions contemplated by this Agreement, the Parties will take commercially reasonable steps to negotiate with the competition authority regarding, and comply with, any conditions or modifications requested by such competition authority, consistent with the general intention of this Agreement (that ownership of the Business will be vested in the Buyers). Subject to Section 9.2.2, each Party will bear its own costs and expenses incurred in negotiating and agreeing to the required conditions or modifications with the competition authorities.

6.13.2 Buyers will not acquire or agree to acquire by merging or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner, any business or any corporation, partnership, association or other business organization or division thereof, or otherwise acquire or agree to acquire any assets if the entering into of a definitive agreement relating to or the consummation of such acquisition, merger or consolidation would reasonably be expected to: (i) impose any delay in the obtaining of, or significantly increase the risk of not obtaining, any authorizations, consents, orders, declarations or approvals of any Governmental Authority necessary to consummate the transactions contemplated by this Agreement or the Transfer Agreements or the expiration or termination of any applicable waiting period; (ii) increase the risk of any Governmental Authority entering an order prohibiting the consummation of the transactions contemplated by this Agreement or the Transfer

Agreements; (iii) significantly increase the risk of not being able to remove any such order on appeal or otherwise; or (iv) delay or prevent the consummation of the transactions contemplated by this Agreement or the Transfer Agreements.

6.14 Further Actions:

6.14.1 Within three (3) Business Days after the entry of an unstayed Sale Approval Order by the Bankruptcy Court, the Parties will use commercially reasonable efforts to take all actions and to do all things necessary, proper or advisable under Law to consummate the transactions contemplated hereby and by the Transfer Agreements. In furtherance of the foregoing, the Parties will consult and cooperate with one another, and consider in good faith the views of one another, in connection with any analyses, appearances, presentations, memoranda, briefs, arguments, opinions and proposals made or submitted by or on behalf of any party hereto in connection with the transactions contemplated by this Agreement.

6.14.2 At all times prior to the Closing: (i) Delphi will notify Buyers' Representative in writing of any fact, condition, event or occurrence that will result in the failure of any of the conditions contained in Article 7 to be satisfied, promptly upon any of them becoming aware of the same; and (ii) Buyers' Representative will notify Delphi in writing of any fact, condition, event or occurrence that will result in the failure of any of the conditions contained in Article 7 to be satisfied, promptly upon any of them becoming aware of the same.

6.15 Further Assurances. If at any time after the Closing Date any further action is necessary or desirable to carry out the purposes of this Agreement, the parties hereto shall take or cause to be taken all such necessary action, including, without limitation, the execution and delivery of such further instruments and documents as may be reasonably requested by the other party for such purposes or otherwise to consummate and make effective the transactions contemplated hereby; provided that, to the extent not indemnified or required hereunder the cost of such action or of such instruments and documents related thereto shall be borne by the party requesting them. The foregoing covenant will survive the Closing of the transactions contemplated herein.

6.16 Shared Items Transferred to Buyers; Transfer Pricing. With respect to any contracts for goods or services included in the Acquired Assets and that are used by both the Business and other operations of Delphi or its Affiliates that are set forth on Schedule 6.16, and that will be transferred to Buyers at Closing, Buyers will provide Sellers with the benefits of such contracts in substantially the same manner described in Section 2.4 above regarding Deferred Items, and Delphi will cause Sellers to reimburse Buyers for such benefits in substantially the manner described in Section 2.4, until the earlier of such time as separate contracts for such goods or services have been agreed between the applicable Seller and the other Party or Parties to such contract or contracts, or until the termination of such contract or contracts.-

6.17 Buyer's Financing Activities:

6.17.1 Buyers acknowledge and agree that: (i) Sellers and their Affiliates have no responsibility for any financing that Buyers may raise in connection with the transactions contemplated hereby including with respect to any offering materials and other documents prepared by or on behalf of or utilized by Buyers or their Affiliates, or Buyers' financing sources, in connection with Buyers' financing activities in connection

with the transactions contemplated hereby which include any information provided by Sellers or any of their Affiliates; and (ii) Buyers' obligations to consummate and to cause to be consummated the transactions contemplated by this Agreement and the Transfer Agreements are not subject to any condition or contingency with respect to the financing.

6.17.2 Buyers will take, or cause to be taken, all actions and will do, or cause to be done, all things necessary, proper or advisable to: (i) maintain in effect the Commitment Letter; (ii) enter into definitive financing agreements with respect to the financing, so that such agreements are in effect as promptly as practicable but in any event no later than the Closing Date; and (iii) consummate the financing at or prior to Closing. In the period between the date hereof and the Closing Date, upon request of Buyers' Representative, Sellers will, and will use commercially reasonable efforts to cause its Affiliates and representatives to, reasonably cooperate with Buyers in connection with the financing. If, notwithstanding the use of commercially reasonable efforts by Buyers to satisfy their obligations under this Section 6.17.2, any of the financing or the Commitment Letter (or any definitive financing agreement entered with respect thereto) expire or are terminated prior to the Closing, in whole or in part, for any reason, Buyers' Representative will promptly notify Delphi of such expiration or termination and the reasons therefor.

6.18 Agency Designation. Each of the Buyers designates and appoints as its agent and attorney-in-fact Inteva Products, LLC ("**Buyers' Representative**") with full power and authority to act in such Buyer's name, place and stead in any way which such Buyer could do with respect to matters requiring notice to, or consent by, such Buyer with respect to any and all matters set forth in this Agreement, including execution of any and all agreements, deeds, documents, instruments and other papers proper or desirable to effectuate the purposes of this Agreement. Except as may be otherwise set forth in a local Transfer Agreement or agreed by the Parties, the power designated in the preceding sentence may not be terminated by any Buyer until the date that is eighteen (18) months after the Closing Date.

6.19 Customs Duties. The Buyers expressly agree to reimburse Sellers for all customs-related duties, fees and associated costs incurred by Sellers on behalf of Buyers following the Closing, including all such duties, fees and costs incurred in connection with co-loaded containers that clear customs intentionally or unintentionally under Sellers' importer/exporter identification numbers and bonds/guarantees post-Closing.

6.20 Intracompany Transfers. At Closing, Buyers will enter into purchase orders with Delphi, its applicable Affiliates and Sellers pursuant to which all current intracompany transfers to the Business from Delphi, its Affiliates and Sellers will continue at customer directed pricing if the relevant component being sold to the Business is a customer directed buy component, or at current transfer pricing included in Contracts set forth in Schedule 4.13.1.

6.21 Environmental Due Diligence. With respect to this Agreement dated October 15, 2007 only, this Section 6.21 governs over any conflicting language in Section 10.4 of this Agreement, but only to the date of the Bid Deadlines. Prior to the Closing, Buyer shall have the right to conduct, at its expense: (i) an environmental assessment of the Real Property in one or more phases, including the procurement and analysis of samples of soil, groundwater, indoor air or any other environmental medium, and any building component or other material located at, on, in or under the Real Property; and (ii) an assessment or evaluation of the compliance status of the Business and/or the Real Property in relation to applicable Environmental Law. Seller shall provide access and information to, and otherwise cooperate

with, Buyer in any environmental assessment or environmental compliance assessment or audit conducted pursuant to this Section 6.21. Without limiting the generality of the foregoing, Buyer shall have the right to review Seller's non attorney-client privileged records regarding, and to interview employees or representatives of Seller who may have knowledge of conditions and events relevant to, the operating history, compliance history and environmental condition of the Real Property. In carrying out its environmental assessment activities pursuant to this Section 6.21, Buyer shall exercise reasonable efforts to avoid interference with Seller's operations at the Real Property. If the Real Property is shown, through Buyer's environmental assessment activities or otherwise, to be a "facility" within the meaning of Part 201 of the Michigan Natural Resources and Environmental Protection Act, MCL 324.20101 et seq., Buyer may, at its expense, prepare and submit to the Michigan Department of Environmental Quality ("MDEQ") a "baseline environmental assessment", or "BEA", pursuant to MCL 324.20126. Buyer may also, at its expense, prepare a plan to meet due care obligations at the Real Property imposed under MCL 324.20107a. Buyer may, at its option and expense, request from MDEQ a determination of the adequacy of the BEA and due care plan pursuant to MCL 324.20129a. Buyer shall provide Seller with copies of any and all site assessment reports, including any and all BEAs, and all data contained or referred to therein, generated pursuant to or in connection with Buyer's activities conducted pursuant to this Section. Notwithstanding anything in this Section 6.21 to the contrary, Buyer shall not be permitted to exercise any of its rights in this section after the Bid Deadline.

6.22 Transfer of Environmental Permits. 6.23 Removal of Personal Property from Certain Locations. Schedule 7.1.5 contemplates Buyers' removal on the Closing Date of all Personal Property included in the Acquired Assets that is located at the Juarez, Mexico or Wuppertal, Germany Technical Centers and Sales Offices. Subject to Section 3.4.2, Buyers will be solely responsible for all costs relating to disconnecting, dismantling, packaging, preparing for shipment, loading such Personal Property onto the truck(s) of a carrier selected by Buyer to transport such items on the Closing Date, freight charges and returning such Technical Centers and Sales Offices to a clean and safe condition (plating over or barricading all pits, trenches or other openings in the floor and removing all conduits, pipes and ducts, and removing machine wastes), all in a good and workman-like manner that does not interfere with or adversely effect Seller's operation on the site and in accordance with applicable Law. In addition, Buyers' employees or agents must comply with Seller's rules, regulations and policies applicable to third party contractors on Seller's site.

6.24 Mexican Newco. No later than thirty (30) days prior to the Closing Date, Delphi shall transfer and assign or cause to be transferred and assigned to Buyer all of the issued and outstanding stock of **Closures Interiors, S. de R.L. de C.V. ("Mexican Newco")**, free and clear of all Encumbrances, other than Permitted Encumbrances, in exchange for a purchase price equal to the aggregate out-of-pocket costs incurred by Sellers in establishing Mexican Newco and obtaining necessary Permits, such purchase price not to exceed \$25,000 USD unless agreed by Buyer (not to be unreasonably withheld). The payment will be made in immediately available funds as of the date of transfer. As of the date of such transfer, Mexican Newco shall: (i) be duly incorporated, validly existing and in good standing under the Laws of Mexico; (ii) not own, lease or otherwise have the right to use any assets other than Permits necessary or

desirable for the conduct of the Business in Mexico and/or to acquire the Permits; and (iii) not have any other Liabilities or employees.

6.25 Certain Confidentiality Agreements. Although not included in the Acquired Assets, Seller will: (i) provide to Buyer, at Buyer's sole cost and expense (including reimbursement of out-of-pocket costs incurred by Sellers in providing such benefits as well as internal costs but solely where such internal costs relate to enforcement of a Bidder Confidentiality Agreement), the benefits of certain clauses of the type indicated on Schedule 6.25.A and contained in confidentiality agreements entered into between Delphi and any Qualified Bidder or other Person that is a competitor of the Business in connection with a potential sale of the Business or any product line included in the Business as will be listed on Schedule 6.25.B at Closing (collectively, the "**Bidder Confidentiality Agreements**"), as such clauses may be modified in a particular Bidder Confidentiality Agreement, but only to the extent relating to the Business or Transferred Employees (the "**Partial Assignment Purpose**"); and (ii) cooperate in any reasonable and lawful arrangement designed to provide benefits to Buyer for the Partial Assignment Purpose, without any Seller incurring any financial obligation to Buyer or any third party of whatsoever kind or nature including enforcing for the account of Buyer and at the sole cost of Buyer any rights of Sellers arising from any Bidder Confidentiality Agreement with respect to the Partial Assignment Purpose, against the other party or parties thereto. The relevant portions of the Bidder Confidentiality Agreements relating to the Partial Assignment Purpose shall be deemed to be partially assigned to Buyers to the extent necessary to effect the Partial Assignment Purpose as described in the preceding sentence. Sellers will: (a) have no Liability to any Buyer arising out of this Section 6.25; and (b) will be reimbursed and held harmless by Buyers from and against all Liabilities, incurred or asserted as a result of Buyers' post-Closing enforcement of the Bidder Confidentiality Agreements in connection with the Partial Assignment Purpose, in the case of each of the foregoing clauses (a) and (b) other than as a result of Seller's: (1) failure to perform its obligations under this Section 6.25 or to follow Buyer's reasonable instructions in connection therewith; or (2) gross negligence or willful misconduct.

6.26 JV Companies Post-Closing Payments. The relevant Buyers agree to use their reasonable best efforts as a partial equity owner to cause each of the JV Companies, as soon as practicable after Closing and in accordance with applicable Laws (including liquidity requirements), financing documents, third party consents (if any) and the relevant Articles of Association, to: (i) distribute the maximum amount of cash resulting from earnings in 2007 as are legally permitted to be distributed, including one hundred percent (100%) of all dividends that may have been declared but not paid on or before close of business on the Closing Date; and (ii) promptly remit one hundred percent (100%) of the relevant pro rata portion of such distributions to the US Filing Affiliates. In the event that the relevant Buyer incurs any income, withholding or other Taxes, bank charges, currency conversion charges or other costs in connection with such distribution, Buyer will remit the amount of such distribution net of all such costs.

6.27 Names Selected by Business for Post-Closing Usage. If Buyer is not the Successful Bidder, then Buyer will assign all rights to the name and mark "Inteva", which is the name and mark selected by the Business for post-Closing usage: (i) in the case of a termination as to which the Break-Up Fee is payable, for no additional consideration; and (ii) in the case of a termination in which Buyer is entitled to Expense Reimbursement, Buyer's reasonable, out-of-pocket costs directly and solely related to obtaining legal opinions as to the availability of such name and mark, establishing of the Buyer entity utilizing such name, recording the use of such

6.29 Certain Acquired Assets Located in Mexico. The Acquired Assets that are located in Mexico and subject to a temporary importation customs regime shall be transferred by Sellers to Buyers in full compliance with any legal and/or administrative provision that may apply in order to, when applicable, preserve the relevant Acquired Assets' temporary importation customs status. Specifically, Sellers shall transfer temporary imported Acquired Assets through the so-called "virtual export pedimentos" and Buyers shall prepare and effectuate the so-called "virtual import pedimentos" as permitted under Mexican law and regulation. Buyers and Sellers shall exercise reasonable commercial efforts and shall cooperate to effectuate these "virtual export/import" transactions.

9. TERMINATION:

9.1 Termination. This Agreement may be terminated at any time prior to the Closing:

9.1.1 By the mutual written consent of Delphi and Buyers' Representative.

9.1.2 By either Delphi or Buyers' Representative:

A. Provided the terminating Party is not in material breach of its obligations under this Agreement, if the Closing will not have occurred within one hundred twenty (120) days after entry of the Sale Approval Order for any reason other than a failure of the conditions set forth in Sections 7.1.2 or 7.1.3.

B. If Seller consummates an Alternative Transaction.

C. Provided the terminating Party is not in material breach of its obligations under this Agreement, if any Governmental Authority of competent jurisdiction (other than the Bankruptcy Court) has issued a Governmental Order or taken any other action restraining, enjoining or otherwise prohibiting the transactions contemplated hereby and such Governmental Order or other action has become final and nonappealable.

D. Provided the terminating Party is not in material breach of its obligations under this Agreement, if the Bankruptcy Court has not entered the Sale Approval Order, on or before the date that is one hundred twenty (120) days after the date of this Agreement, or if such Sale Approval Order, as of the date that is one hundred twenty (120) days after the date of this Agreement, is subject to a stay or injunction on such date.

E. If the Delphi Corporation Board Approval is not received by 11:59 p.m. EST on October 17, 2007.

9.1.3 By Buyers' Representative, upon written notice to Delphi and provided that Buyers are not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if Delphi has materially breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements contained in this Agreement, provided that such breach or failure to

perform: (y) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from Buyers' Representative; or (z) is incapable of being cured by Delphi;

9.1.4 Provided none of the Buyers is in material breach of its obligations under this Agreement, at any time prior to Closing, if a Material Adverse Effect has occurred, Buyers' Representative may terminate within ten (10) Business Days after becoming aware of such event so long as such event is continuing at the time of any such termination and not reasonably capable of being cured within ninety (90) days after entry of the Sale Approval Order or the date of this Agreement, whichever is later. For purposes of this Section 9.1.4, failure to obtain the necessary Union Consents or the necessary JV Partner Consents prior to Closing will be deemed to be a Material Adverse Effect.

9.1.5 By Delphi, upon written notice to Buyers' Representative and provided that Delphi is not then in material breach of any representation, warranty, covenant or other agreement contained in this Agreement, if any Buyer has breached or failed to perform in any material respect any of its obligations or covenants contained in this Agreement, and such breach or failure to perform: (i) is not cured within thirty (30) days after written notice thereof or, in the case where the date or period of time specified for performance has lapsed, promptly following written notice thereof from the non-breaching party; or (ii) is incapable of being cured by any Buyer.

9.2 Break-Up Fee; Expense Reimbursement:

9.2.1 Subject to the last two (2) sentences of Section 9.2.3, in the event that Delphi sells, transfers, leases or otherwise disposes, directly or indirectly, including through an asset sale, stock sale, merger or other similar transaction, of all or a material portion ("material portion" refers to the latches product line) of the Business or the Acquired Assets in a transaction or a series of related transactions with one or more Parties other than any Buyer (such event being an "**Alternative Transaction**") within twelve (12) months after termination of this Agreement, either: (i) in accordance with the Bidding Procedures and this Agreement is terminated pursuant to Section 9.1.2.B; or (ii) as referred to in Section 9.2.1.B below; then in any such event, Sellers (on a pro rata basis, based on the allocation of the purchase price paid in the Alternative Transaction) will, upon the consummation of the Alternative Transaction(s), pay to Buyers' Representative an amount equal to the lesser of:

A. Two Million Four Hundred Thousand Dollars (\$2,400,000); or

B. Three percent (3%) of the post-termination Alternative Transaction purchase price (the "**Post-Termination Alternative Transaction Purchase Price**"). The Post-Termination Alternative Transaction Purchase Price means the purchase price received upon consummation of a Sale with another purchaser within twelve (12) months following termination of this Agreement in any circumstance where Expense Reimbursement is payable to Buyer and the purchase price received upon consummation of such Alternative Transaction is equal to or greater than eighty percent (80%) of the Preliminary Purchase Price set forth in this Agreement (collectively with Section 9.2.1.A above, the "**Break-Up Fee**"). In any circumstance in which the Break-Up Fee is payable pursuant to

this Section 9.2.1.B, Buyer shall also be entitled to receive the Expense Reimbursement provided for in Section 9.2.2.

Notwithstanding the foregoing, Buyer shall not be entitled to the Break-Up Fee if: (i) Buyer is in material breach of this Agreement or the Bidding Procedures and has received written notice of such breach from Delphi; or (ii) this Agreement is terminable under Section 9.1.2.C.

9.2.2 Subject to Section 9.2.3, in the event this Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B, 9.1.2.D, 9.1.3 or 9.1.4, and provided that Buyers are not then in breach of this Agreement or the Bidding Procedures, and, in the case of Section 9.1.2.A, the failure or occurrence of the event giving rise to any such termination results solely from the status of Delphi or any action or conduct of Delphi and not from the status of Buyers or their Affiliates or any action or conduct or market position of Buyers or any of their Affiliates, then Sellers (on a pro rata basis, based on the allocation of the purchase price paid in the Alternative Transaction) will be obligated to pay Buyers' Representative an amount equal to Buyers' Representative's reasonable, actual out-of-pocket fees and expenses (including, without limitation, reasonable attorneys' fees, expenses of their financial advisors, and expenses of other consultants) incurred in connection with the transactions contemplated by this Agreement (the "**Expense Reimbursement**") up to a maximum of \$250,000. Any Expense Reimbursement payable upon termination of this Agreement will be immediately earned upon such termination and payable by Delphi to Buyers' Representative promptly upon the delivery of an invoice related to such Expense Reimbursement to Delphi by Buyers' Representative to be delivered to Delphi within ten (10) Business Days of termination of this Agreement; provided, however, that if Delphi believes, in good faith, that the amount of the Expense Reimbursement sought by Buyers' Representative is not reasonable, then Delphi will have the right to seek Bankruptcy Court review thereof prior to paying such amount.

9.2.3 Buyers acknowledge and agree that, except as otherwise expressly set forth in Section 9.2.1 of this Agreement, in the event that Buyers' Representative terminates this Agreement or Delphi terminates this Agreement and Buyers become entitled to receive or receive any Expense Reimbursement, Buyers will not be entitled to receive nor will they receive the Break-Up Fee or any portion thereof, and, conversely, in the event that Buyers become entitled to receive or receives any Break-Up Fee, none of them will be entitled to receive nor will they receive the Expense Reimbursement or any portion thereof. If Buyers become entitled to receive any Break-Up Fee and/or Expense Reimbursement, then such Break-Up Fee and/or Expense Reimbursement will be the sole and exclusive remedy of Buyers, whether at law or in equity, for any breach by Delphi or any of its Affiliates of the terms and conditions of this Agreement or the Deposit Escrow Agreement. Notwithstanding anything to the contrary in this Agreement, if the Closing does not occur for a reason referred to in Section 7.2.8 (GM Contract), Section 7.2.9 (UAW Agreement) or 7.2.10 (IUE Agreement), in no event will Buyers be entitled to any Break-Up Fee, recognizing that Expense Reimbursement may be payable to Buyers if Buyers are otherwise entitled to such reimbursement under the terms of this Agreement.

9.2.4 As between Sellers and Buyers, the Sellers shall be jointly and severally liable for the obligation to pay to Buyers' Representative any amounts payable thereto

pursuant to this Section 9.2. As among Sellers, such amounts will be allocated in accordance with Section 11.5.4.B.

9.3 Procedure and Effect of Termination. In the event of the termination of this Agreement and the abandonment of the transactions contemplated hereby pursuant to Section 9.1, written notice thereof will forthwith be given to all other Parties. If this Agreement is terminated and the transactions contemplated by this Agreement are abandoned as provided herein:

9.3.1 Buyers will redeliver to Sellers all documents, work papers and other material of any of Sellers relating to the transactions contemplated hereby, whether so obtained before or after the execution hereof;

9.3.2 The provisions of the Confidentiality Agreement will continue in full force and effect; and

9.3.3 The following sections of this Agreement will survive any termination of this Agreement and remain in full force and effect: (i) Article 9 (Termination); and (ii) Sections 3.1 (Deposit Amount), 12.1 (Fees and Expenses), 12.5 (Assignment), 12.6 (Waiver), 12.7 (Notices), 12.8 (Entire Agreement), 12.10 (Publicity), 12.14 (Governing Law) and 12.15 (Venue and Retention of Jurisdiction).

9.3.4 No party to this Agreement will have any Liability under this Agreement to any other except: (i) that nothing herein will relieve any party from any Liability for any breach of any of the representations, warranties, covenants and agreements set forth in this Agreement occurring before such termination, and, except as provided by Section 9.2.3 above, no Party waives any Claim with respect thereto; and (ii) as contemplated by Section 9.3.3 above.

10. BIDDING PROCEDURES:

10.1 Delphi Initial Bankruptcy Actions. This Article 10 sets forth the bidding procedures (the “**Bidding Procedures**”) to be employed with respect to the Agreement and the Sale of the Purchased Assets. The Sale is subject to competitive bidding as set forth herein and approval by the Bankruptcy Court in the Sale Approval Order. The following overbid provisions and related bid protections are designed to compensate Buyers for their efforts and agreements to date and to facilitate a full and fair process (the “**Bidding Process**”) designed to maximize the value of the Purchased Assets for the benefit of Sellers’ and their Affiliates’ creditors, shareholders and bankruptcy estate.

10.2 Qualified Bidder. Unless otherwise ordered by the Bankruptcy Court, for cause shown, or as otherwise determined by Sellers, in order to participate in the bidding process, each person (a “**Potential Bidder**”), other than Buyers, must deliver (unless previously delivered) to Delphi, its counsel, its in-house counsel, and its financial advisors at the addresses provided in Section 10.3:

10.2.1 An executed Confidentiality Agreement in form and substance satisfactory to Delphi.

10.2.2 Current audited financial statements of the Potential Bidder, or, if the Potential Bidder is an entity formed for the purpose of acquiring the Purchased Assets

and the Business, current audited financial statements of the equity holders of the Potential Bidder who will guarantee the obligations of the Potential Bidder, or such other form of financial disclosure and credit-quality support or enhancement acceptable to Delphi and its financial advisors; and

10.2.3 A preliminary (non-binding) written proposal regarding: (i) the purchase price range; (ii) any assets and/or equity interests expected to be excluded; (iii) the structure and financing of the transaction (including, but not limited to, the sources of financing for the purchase price and all requisite financial assurance); (iv) any anticipated regulatory approvals required to close the transaction, the anticipated time frame and any anticipated impediments for obtaining such approvals; (v) any conditions to closing that it may wish to impose in addition to those set forth in this Agreement; and (vi) the nature and extent of additional due diligence it may wish to conduct and the date by which such due diligence will be completed.

A Potential Bidder that delivers the documents described in the previous subparagraphs above and whose financial information and credit-quality support or enhancement demonstrate the financial capability of the Potential Bidder to consummate the Sale and perform post-Closing, if selected as a successful bidder, and that Delphi determines in its sole discretion is likely (based on availability of financing, experience and other considerations) to be able to consummate the Sale within the time frame provided by this Agreement will be deemed a **"Qualified Bidder"**. As promptly as practicable, after a Potential Bidder delivers all of the materials required above, Delphi will determine, and will notify the Potential Bidder, if such Potential Bidder is a Qualified Bidder. At the same time that Delphi notifies the Potential Bidder that it is a Qualified Bidder, Delphi will allow the Qualified Bidder to begin to conduct due diligence with respect to the Purchased Assets and the Business as provided in Section 10.4 below. Collectively, Buyers will be deemed a Qualified Bidder for purposes of the Bidding Process.

10.3 Bid Deadline. A Qualified Bidder that desires to make a bid will deliver written copies of its bid to: Delphi Automotive Systems LLC, 5725 Delphi Drive, Troy, Michigan 48098 Attention: Director of Mergers & Acquisitions for Delphi Automotive Holdings Group, with copies to: (i) Delphi's counsel, Skadden, Arps, Slate, Meagher & Flom LLP, at 333 West Wacker Drive, Chicago, Illinois 60601-1285, Attention: Ron E. Meisler and Brian M. Fern; (ii) Delphi's in-house counsel, Delphi Corporation, 5725 Delphi Drive, Troy, Michigan 48098, Attn: Deputy General Counsel – Transactional & Restructuring; (iii) Delphi's financial advisor, Rothschild, Inc., 1251 Avenue of the Americas, New York, NY 10020, Attention: William Cannon; (iv) counsel to the official committee of unsecured creditors appointed in the Bankruptcy Cases (the **"Committee"**), Latham & Watkins LLP, 885 Third Avenue, New York, New York 10022, Attention: Robert J. Rosenberg and Mark A. Broude; and (v) counsel for the agent under Delphi's postpetition credit facility, Davis Polk & Wardwell, 450 Lexington Avenue, New York, New York 10017, Attention: Donald S. Bernstein and Brian Resnick, in each case so as to be received not later than 11:00 A.M. (EST), on a date to be determined by Delphi that is at least five (5) Business Days before date of Sale Hearing (the **"Bid Deadline"**). Delphi may extend the Bid Deadline once or successively, but is not obligated to do so. If Delphi extends the Bid Deadline, it will promptly notify all Qualified Bidders of such extension. As soon as reasonably practicable following receipt of each Qualified Bid, Sellers will deliver complete copies of all items and information enumerated in the section below entitled "Bid Requirements" to counsel for the Official Committee of Equity Security Holders (the **"Equityholders' Committee"**). The Sellers also will provide the UAW with notice of all Qualified Bidders and their contact information. Qualified Bidders should note that certain benefit treatments of the Agreement are intended to effect

assumption of the UAW Collective Bargaining Agreement and, to the extent subject to assumption, these issues remain subject to the parties' rights and obligations related to bargaining with the UAW.

10.4 Due Diligence. Delphi will afford each Qualified Bidder due diligence access to the Purchased Assets and the Business. Due diligence access may include Management Presentations as may be scheduled by Delphi, access to data rooms, on site inspections and such other matters which a Qualified Bidder may request and as to which Delphi, in its sole discretion, may agree. Delphi will designate an employee or other representative to coordinate all reasonable requests for additional information and due diligence access from Qualified Bidders. Subject to Section 6.21, any additional due diligence will not continue after the Bid Deadline. Delphi may, in its discretion, coordinate due diligence efforts such that multiple Qualified Bidders have simultaneous access to due diligence materials and/or simultaneous attendance at Management Presentations or site inspections. Neither Delphi nor any of its Affiliates (nor any of their respective representatives) will be obligated to furnish any information relating to Purchased Assets and the Business to any Person other than to Qualified Bidders who make an acceptable preliminary proposal.

10.5 Bid Requirements. All bids must include the following documents (the "Required Bid Documents"):

10.5.1 A letter stating that the bidder's offer is irrevocable until two (2) Business Days after the Closing of the Sale of the Purchased Assets.

10.5.2 An executed copy of this Agreement, together with all Schedules and Exhibits (a "**Marked Agreement**"), marked to show those amendments and modifications to such agreement that the Qualified Bidder proposes, including the Purchase Price (as defined in this Agreement).

10.5.3 A good faith deposit (the "**Good Faith Deposit**") in the form of a certified bank check from a U.S. bank or by wire transfer (or other form acceptable to Delphi in its sole discretion) payable to the order of Delphi (or such other party as Delphi may determine) in an amount equal to two and six tenths percent (2.6%) of the Preliminary Purchase Price, but which shall in no event be less than the Deposit Amount.

10.5.4 Written evidence of a commitment for financing or other evidence of ability to consummate the proposed transaction satisfactory to Delphi and its advisors.

10.6 Qualified Bids. A bid will be considered only if the bid:

10.6.1 Is not conditioned on obtaining financing or on the outcome of unperformed due diligence by the bidder.

10.6.2 Proposes a transaction on terms and conditions (other than the amount of the consideration and the particular liabilities being assumed) that Delphi determines, in its sole discretion, are similar to, and are not materially more burdensome or conditional than the terms of the Agreement and that has a value, either individually or, when evaluated in conjunction with any other Qualified Bid, greater than or equal to the sum of the Purchase Price plus the amount of the Break-Up Fee, plus \$1,000,000.

10.6.3 Is not conditioned upon: (i) any bid protections, such as a break-up fee, termination fee, expense reimbursement or similar type of payment; or (ii) such bid being deemed the Successful Bid by the Sellers.

10.6.4 Includes an acknowledgement and representation that the bidder: (i) has had an opportunity to conduct any and all due diligence regarding the Purchased Assets prior to making its offer; (ii) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Purchased Assets in making its bid; and (iii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Purchased Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in the Agreement or the Marked Agreement.

10.6.5 Includes a commitment to consummate the purchase of the Purchased Assets (including the receipt of any required Governmental Approvals) immediately upon completion of all closing conditions within Sellers' reasonable control, which may as early as fifteen (15) days after entry of an order by the Bankruptcy Court approving such purchase, or in the case of any Governmental Approvals, sixty (60) days after entry of such order.

10.6.6 Is received by the Bid Deadline.

A bid received from a Qualified Bidder will constitute a "**Qualified Bid**" only if it includes all of the Required Bid Documents and meets all of the above requirements; provided, however, that Delphi will have the right, in its sole discretion, to entertain bids for the Purchased Assets that do not conform to one or more of the requirements specified herein and deem such bids to be Qualified Bids. Notwithstanding the foregoing, Buyers collectively will be deemed Qualified Bidders, and the Agreement will be deemed a Qualified Bid, for all purposes in connection with the bidding process, the Auction, and the Sale. A Qualified Bid will be valued based upon factors such as the net value provided by such bid and the likelihood and timing of consummating such transaction. Each Qualified Bid other than that of Buyers is referred to as a "**Subsequent Bid**". If Delphi does not receive any Qualified Bids other than the Agreement received from Buyers, Delphi will report the same to the Bankruptcy Court and will proceed with the Sale pursuant to the terms of this Agreement.

10.7 Bid Protection. Recognizing Buyers' expenditure of time, energy and resources, Delphi has agreed to provide certain bidding protections to Buyers. Specifically, Delphi has determined that the Agreement will further the goals of the Bidding Procedures by setting a floor that all other Potential Bids must exceed. As a result, Delphi has agreed that if Delphi does not close with Buyers because Delphi consummates an Alternative Transaction and Buyers are not in material breach of the Agreement or the Bidding Procedures, Delphi will pay to Buyers' Representative the Break-Up Fee to the extent required under Section 9.2.1 hereof. In the event the Agreement is terminated pursuant to Sections 9.1.2.A, 9.1.2.B., 9.1.2.D, 9.1.3 or 9.1.4 hereof, then in certain circumstances Delphi will be obligated to pay Buyers' Representative's Expense Reimbursement to the extent required under Section 9.2.2 hereof. The payment of the Break-Up Fee and/or the Expense Reimbursement (as applicable) will be governed by the provisions of the Agreement, including Section 9.2.3, and the order of the Bankruptcy Court approving the Bidding Procedures.

10.8 Auction, Bidding Increments and Bids Remaining Open. If Delphi receives at least one (1) Qualified Bid in addition to the Agreement, Delphi will conduct an auction (the “**Auction**”) of the Purchased Assets and the Business upon notice to all Qualified Bidders who have submitted Qualified Bids at 10:00 a.m. EST on or about December 6, 2007 at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, 333 West Wacker Drive, Chicago, Illinois 60601-1285 or Four Times Square, New York, New York 10036 (at Delphi's election) or such later time or other place as Delphi will notify all Qualified Bidders who have submitted Qualified Bids (but in no event later than the second (2nd) Business Day prior to the Sale Hearing), in accordance with the following procedures:

10.8.1 Only Delphi, Buyers' Representative, any representative of the Committee and the Equityholders' Committee, any representative of Delphi's secured lenders (and the legal and financial advisers to each of the foregoing), any representative of the UAW, and any Qualified Bidder who has timely submitted a Qualified Bid will be entitled to attend the Auction, and only Buyers' Representative and the other Qualified Bidders will be entitled to make any subsequent Qualified Bids at the Auction.

10.8.2 At least two (2) Business Days prior to the Auction, each Qualified Bidder who has timely submitted a Qualified Bid must inform Delphi whether it intends to participate in the Auction and at least one (1)³ Business Day prior to the Auction, Delphi will provide copies of the Qualified Bid or combination of Qualified Bids which Delphi believes is the highest or otherwise best offer to all Qualified Bidders who have informed Delphi of their intent to participate in the Auction and the UAW.

10.8.3 All bidders will be entitled to be present for all Subsequent Bids with the understanding that the true identity of each bidder will be fully disclosed to all other bidders and that all material terms of each Subsequent Bid will be fully disclosed to all other bidders throughout the entire Auction.

10.8.4 Sellers may employ and announce at the Auction additional procedural rules that are reasonable under the circumstances (e.g., the amount of time allotted to make Subsequent Bids) for conducting the Auction, provided that such rules are not inconsistent with these Bidding Procedures, the Bankruptcy Code or any order of the Bankruptcy Court entered in connection herewith.

10.8.5 Bidding at the Auction will begin with the highest or otherwise best Qualified Bid or combination of Qualified Bids and continue in minimum increments of at least \$1,000,000 higher than the previous bid or bids. The Auction will continue in one or more rounds of bidding and will conclude after each participating bidder has had the opportunity to submit an additional Subsequent Bid with full knowledge and written confirmation of the then-existing highest bid or bids. For the purpose of evaluating the value of the consideration provided by Subsequent Bids (including any Subsequent Bid by Buyers' Representative), Delphi may give effect to any Break-Up Fee that may be

³ Five (5) days is chilling. Bid Deadline could be less than five (5) Business Days prior to auction. If that is the case, it makes no sense to have a bidder tell us if it is attending the auction before submitting a bid.

payable to Buyers' Representative under the Agreement as well as any assets and/or equity interests to be retained by any Seller.

10.8.6 At the conclusion of the Auction, or as soon thereafter as practicable, Sellers, in consultation with its financial advisors, will: (i) review each Qualified Bid on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the sale; and (ii) identify the highest or otherwise best offer(s) for the Purchased Assets and the Business received at the Auction (the "**Successful Bid(s)**") the bidder(s) making such bid, the "**Successful Bidder(s)**").

10.9 Acceptance of Qualified Bids. Sellers will sell the Purchased Assets for the highest or otherwise best Qualified Bid, as determined by Delphi, upon the approval of such Qualified Bid by the Bankruptcy Court after the hearing (the "**Sale Hearing**"). If, after an Auction in which Buyers' Representative: (i) will have bid an amount in excess of the consideration presently provided for in the Agreement with respect to the transactions contemplated under the Agreement; and (ii) is the Successful Bidder, it will, at the Closing under the Agreement, pay, in full satisfaction of the Successful Bid, an amount equal to: (a) the amount of the Successful Bid; less (b) the Break-Up Fee. Delphi's presentation of a particular Qualified Bid to the Bankruptcy Court for approval does not constitute Delphi's acceptance of the bid. Delphi will be deemed to have accepted a bid only when the bid has been approved by the Bankruptcy Court at the Sale Hearing.

10.10 Sale Hearing. The Sale Hearing will be held before the Honorable Judge Robert Drain on _____, 2007 at _____ (prevailing Eastern Time) at the United States Bankruptcy Court for the Southern District of New York, located in New York, New York, but may be adjourned or rescheduled in Delphi's sole discretion, subject to Bankruptcy Court Approval, as necessary, without further notice by an announcement of the adjourned date at the Sale Hearing. If Delphi does not receive any Qualified Bids (other than the Qualified Bid of Buyers), Delphi will report the same to the Bankruptcy Court at the Sale Hearing and will proceed with a sale of the Purchased Assets to Buyers following entry of the Sale Order. If Delphi does receive additional Qualified Bids, then, at the Sale Hearing, Delphi will seek approval of the Successful Bid(s), as well as the second highest or best Qualified Bid(s) (the "**Alternate Bid(s)**") and such bidder(s), the "**Alternate Bidder(s)**"). Following approval of the sale to the Successful Bidder(s), if the Successful Bidder(s) fail(s) to consummate the sale because of: (i) failure of a condition precedent beyond the control of either Delphi or the Successful Bidder; or (ii) a breach or failure to perform on the part of such Successful Bidder(s), then the Alternate Bid(s) will be deemed to be the Successful Bid(s) and Delphi may, subject to satisfaction of all applicable conditions to closing, effectuate a sale to the Alternate Bidder(s) without further order of the Bankruptcy Court.

10.11 Return of Good Faith Deposit. The Good Faith Deposits of all Qualified Bidders (except for the Successful Bidder) will be held in an interest-bearing escrow account and all Qualified Bids will remain open (notwithstanding Bankruptcy Court approval of a sale pursuant to the terms of one or more Successful Bids by one or more Qualified Bidders), until two (2) Business Days following the Closing of the Sale (the "**Return Date**"). Notwithstanding the foregoing, the Good Faith Deposit, if any, submitted by the Successful Bidder(s), together with interest thereon, will be applied against the payment of the Purchase Price upon Closing of the Sale to the Successful Bidder(s). If a Successful Bidder breaches its obligations under the Bidding Procedures Order or any agreement entered into with respect to its Successful Bid or fails to consummate a sale because of a breach or failure to perform on the part of such

Successful Bidder, Delphi will not have any obligation to return the Good Faith Deposit deposited by such Successful Bidder, and such Good Faith Deposit will irrevocably become property of Delphi. On the Return Date, Delphi will return the Good Faith Deposits of all other Qualified Bidders, together with the accrued interest thereon.

10.12 Reservation of Rights. Delphi, after consultation with the agents for its secured lenders and the Committee: (i) may determine, which Qualified Bid, if any, is the highest or otherwise best offer; and (ii) may reject at any time, any bid (other than Buyers' initial bid) that is: (a) inadequate or insufficient; (b) not in conformity with the requirements of the Bankruptcy Code, the Bidding Procedures or the terms and conditions of the Sale; or (c) contrary to the best interests of Sellers, its estate and creditors as determined by Delphi in its sole discretion.

11. LIABILITY, INDEMNIFICATION:

11.1 LIMITATIONS OF LIABILITY. EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER DELPHI NOR ANY OF THE OTHER SELLERS UNDERTAKES ANY LIABILITY FOR ANY SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, INDIRECT OR PUNITIVE DAMAGES EXCEPT AS MAY BE ASSESSED AGAINST A BUYER INDEMNIFIED PARTY BY A COURT OF COMPETENT JURISDICTION; SUBJECT TO ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, DELPHI WILL NOT BE LIABLE FOR ANY, AND BUYERS ASSUME LIABILITY FOR ALL, PERSONAL INJURY AND PROPERTY DAMAGE RESULTING FROM BUYERS' INVESTIGATION AND EXAMINATION OF THE ACQUIRED ASSETS AND THE JV COMPANIES, THE HANDLING, TRANSPORTATION, POSSESSION, PROCESSING, FURTHER MANUFACTURE OR OTHER USE OR RESALE OF ANY OF THE ACQUIRED ASSETS AFTER THE CLOSING DATE, WHETHER SUCH ACQUIRED ASSETS ARE USED OR RESOLD ALONE OR IN COMBINATION WITH OTHER ASSETS OR MATERIALS; AND, SUBJECT TO THE RETAINED LIABILITIES, THE REPRESENTATIONS AND WARRANTIES OF THE SELLERS EXPRESSLY CONTAINED IN ARTICLE 4 AND THE INDEMNIFICATION PROVIDED IN THIS ARTICLE 11, BUYERS ACKNOWLEDGE THAT THE ACQUIRED ASSETS AND SALE SECURITIES ARE BEING SOLD IN THEIR PRESENT STATE AND CONDITION, "AS IS, WHERE IS," WITH ALL FAULTS, AND BUYERS' ARE PURCHASING AND ACQUIRING SUCH ACQUIRED ASSETS AND SALE SECURITIES ON THAT BASIS PURSUANT TO BUYERS' OWN INVESTIGATION AND EXAMINATION AFTER HAVING BEEN PROVIDED WITH AN ADEQUATE OPPORTUNITY AND ACCESS TO SUCH ACQUIRED ASSETS TO COMPLETE SUCH INVESTIGATION OR EXAMINATION.

11.2 Survival. The representations and warranties of the Filing Affiliates set forth in Article 4 will not survive Closing. The representations and warranties of all other Sellers set forth in Article 4 will survive for a period of eighteen (18) months after the Closing Date, except that the representations and warranties of such other Sellers set forth in Sections 4.3.5 through 4.3.13 will not survive Closing and provided that the representations and warranties of such other Sellers set forth in Section 4.14 (*Environmental Matters*) will survive for a period of five (5) years after the Closing Date. The representations and warranties of the Buyers set forth in Article 5 will survive for a period of eighteen (18) months following the Closing Date. The covenants and agreements of the parties in this Agreement will survive the Closing in accordance with their terms.

11.3 Indemnification. Except as may be expressly set forth in this Agreement or in an Ancillary Agreement, no Seller or Buyer will be required to indemnify any other party to any of such agreements.

11.3.1 Buyers' Indemnification of Delphi. Subject to the limitations set forth in this Article 11, from and after the Closing, Buyers will, severally and not jointly indemnify, defend and hold harmless Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents from and against all Losses actually incurred by Sellers and their Affiliates and their respective directors, officers, employees, advisors, representatives and agents, including in connection with any actions, suits, demands, assessments, judgments and settlements, in any such case reduced by the amount of insurance proceeds actually recovered from any Person or entity with respect thereto ("**Indemnifiable Losses**") relating to, resulting from or arising out of (i) any Assumed Liability, (ii) the breach of any representation and warranty of Buyers contained in this Agreement, provided that Sellers shall have provided to Buyers written notice of a claim for indemnification with respect to a breach of a representation and warranty prior to the expiration of the survival period of such representation and warranty as provided in Section 11.2, or (iii) the breach of any covenant or agreement of any Buyer contained in this Agreement.

11.3.2 Sellers' Indemnification of Buyers. Subject to the limitations set forth in this Article 11, from and after the Closing: (i) the Filing Affiliates will, jointly and severally with respect to Retained Liabilities, and any related covenants or agreements, of the U.S. operations of the Business; and (ii) each Seller of Acquired Assets will, solely with respect to the Acquired Assets sold by such Seller, the related Retained Liabilities and any related covenants or agreements contained in this Agreement, severally and not jointly, indemnify, defend and hold harmless Buyers and their Affiliates and their respective directors, officers, employees, partners, advisors, representatives and agents (collectively, the "**Buyer Indemnified Parties**") from and against all Indemnifiable Losses relating to, resulting from or arising out of: (i) any Retained Liability (including any Liabilities associated with Excluded Assets) other than Assumed Liabilities and Retained Liabilities referred to in Section 11.4 (*Environmental Matters*), for which Section 11.4 shall provide the exclusive basis for indemnification; (ii) the breach of any representation and warranty of Sellers contained in this Agreement, provided that the Filing Affiliates' obligation under this Section 11.3.2.(ii) shall expire at the Closing, and further provided that there shall be no indemnification with respect to the breach of any representation or warranty contained in Sections 4.3.5 through 4.3.13; or (iii) the breach of any covenant or agreement of the Sellers contained in this Agreement:

A. Delphi's and each Seller's obligation to indemnify for Indemnifiable Losses shall apply only to those Claims which are notified to Delphi or such Seller on or before the date that is eighteen (18) months after the Closing Date with the exception of: (i) any claims for indemnification made pursuant to Section 4.14 or Section 11.4 (*Environmental Matters*), which shall be notified to Delphi or such Seller on or before the fifth (5th) anniversary of the Closing Date; and (ii) any claims for indemnification made with respect to the Retained Liabilities specified in Section 2.3.2, which shall be notified to Delphi or such Seller on or before ten (10) Business Days following the date that is thirty-six (36) months after the Closing Date.

B. Neither Delphi or any Seller shall be liable for Indemnifiable Losses pursuant to this Section 11.3.2 until: (i) an individual claim or occurrence (together with any related claims or occurrences) is greater than Twenty Five Thousand Dollars (\$25,000.00) ("**Individual Claim Amount**"); and (ii) the amount of all Indemnifiable Losses (which exceeds the Individual Claim Amount)

in the aggregate exceeds Four Hundred Thousand Dollars (\$400,000.00) ("**Deductible Amount**"), after which point Delphi and/or the applicable Seller will be obligated to indemnify the Buyer Indemnified Parties from and against Indemnifiable Losses exceeding the Individual Claim Amounts that are in excess of the Deductible Amount until the aggregate amount of Indemnifiable Losses indemnified by Delphi and the combined Sellers reaches an amount equal to twenty percent (20%) of the Purchase Price, after which point Delphi and Sellers will have no further obligation with respect to Indemnifiable Losses under this Agreement; provided, however, that no individual Seller shall be obligated to indemnify the Buyer Indemnified Parties from and against Indemnifiable Losses in excess of one hundred percent (100%) of the Purchase Price for the Acquired Assets sold by such Seller. The term "**Cap Amount**" refers to the maximum amount payable by Delphi, a Seller or all Sellers as the case may be. Buyers agree that, subject to Section 6.4.5, from and after the Closing, the indemnification provided in this Section 11.3.2 is the exclusive remedy for a breach by Delphi or any Seller of any agreement or covenant contained in this Agreement that, by its terms, is intended to be performed by Seller after the Closing Date or against Delphi or such Seller for any applicable Retained Liabilities or Excluded Assets.

C. In calculating amounts payable hereunder, the amount of any Indemnifiable Losses shall be determined without duplication of any other Losses for which a Claim has been made by Buyers or could be made under any other representation, warranty, covenant or agreement included herein, i.e., an indemnified party may not recover more than once for a particular Indemnifiable Loss.

11.4 Environmental Matters:

11.4.1 Indemnification of Seller and Buyer:

A. Delphi and Sellers agree to indemnify, defend and hold harmless the Buyer Indemnified Parties from and against any Environmental Damages arising from or relating to: (i) the existence of Pre-Closing Environmental Contamination or a Release at any location of any Hazardous Materials that were generated or used prior to the Closing at the Real Property (including, without limitation, the migration or leaching of Hazardous Materials released at or from the Real Property prior to the Closing), or in connection with or as a result of the operation of any portion of the Business or the Manufacturing Facilities before the Closing; (ii) any failure to comply with any Environmental Law or any Environmental Permit related to the operation of the Business prior to the Closing; or (iii) any Pre-Closing Compliance Matter, including, without limitation, the liabilities referred to in Schedule 4.14. Delphi's and Sellers' obligation to indemnify, defend and hold harmless includes, without limitation, any Environmental Damages: (a) relating to response actions required to comply with Environmental Laws; (b) asserted by any third party for personal injury, property damage or natural resources damages caused by any Hazardous Material; or (c) arising from: (1) the shipment prior to the Closing of any Hazardous Material from any of the Manufacturing Facilities; (2) the arrangement prior to the Closing Date for the treatment or off-site disposal of any Hazardous Material owned by or generated at the Manufacturing Facilities or by the Business; or (3) the shipment

or arrangement for treatment or disposal of any wastes generated or used in connection with the operation of the Business prior to the Closing.

B. Prior to the Closing, Delphi, Sellers and Buyers' Representative shall jointly inventory and list the Pre-Closing Wastes present at the Manufacturing Facilities. The "**Pre-Closing Wastes**" shall include those hazardous and non-hazardous wastes generated in connection with the facility operations which have been containerized for and prior to disposal. To the extent that such Pre-Closing Waste has not been removed from the Manufacturing Facilities prior to Closing, Delphi and Sellers shall arrange for proper shipment, treatment and disposal of such Pre-Closing Wastes within ninety (90) days following the Closing Date (unless Sellers are precluded from such action by applicable Law, in which case Sellers shall arrange for proper shipment, treatment and disposal of such wastes as soon as practicable). If Delphi and Sellers fail or are unable to take such action, Delphi and Sellers shall reimburse Buyers for any costs incurred by Buyers in arranging for the shipment, treatment and disposal of such Pre-Closing Wastes at a facility acceptable to Delphi and Sellers, and Delphi and Sellers shall indemnify Buyers pursuant to Section 11.4.1.A for any Claims relating to such Pre-Closing Wastes.

C. Subject to the provisions of this Agreement, and solely with respect to the Manufacturing Facilities, Buyers shall indemnify Delphi and Sellers for Environmental Damages arising from and against any Environmental Damages arising from or relating to: (i) the existence of Post-Closing Environmental Contamination or a Release at any location of any Hazardous Materials that were generated or used subsequent to the Closing at the Real Property (including, without limitation, the migration or leaching of Hazardous Materials released at or from the Real Property subsequent to the Closing), or in connection with or as a result of the operation of any portion of the Business or the Manufacturing Facilities after the Closing; (ii) any failure to comply with any Environmental Law or any Environmental Permit related to the operation of the Business subsequent to the Closing; or (iii) any Post-Closing Compliance Matter. Buyers' obligation to indemnify, defend and hold harmless includes, without limitation, any Environmental Damages: (a) relating to response actions required to comply with Environmental Laws; (b) asserted by any third party for personal injury, property damage or natural resources damages caused by any Hazardous Material; or (c) arising from: (1) the shipment subsequent to the Closing of any Hazardous Material from any of the Manufacturing Facilities; (2) the arrangement subsequent to the Closing Date for the treatment or off-site disposal of any Hazardous Material owned by or generated at the Manufacturing Facilities or by the Business; or (3) the shipment or arrangement for treatment or disposal of any wastes generated or used in connection with the operation of the Business subsequent to the Closing.

D. Subject to the provisions of this Agreement, including, without limitation, the next sentence, for those Environmental Damages arising from circumstances that may be considered both: (i) Pre-Closing Environmental Contamination and Post-Closing Environmental Contamination; or (ii) Pre-Closing Compliance Matters and Post-Closing Compliance Matters, such Environmental Damages shall be allocated between the Parties in proportion to the extent that such Environmental Damages are the result of Pre-Closing

Environmental Contamination or Post-Closing Environmental Contamination, or Pre-Closing Compliance Matters or Post-Closing Compliance Matters, and each Party shall indemnify the other for its share as determined by such allocation.

11.4.2 Limitations on Liability. Claims relating to environmental matters are subject to the limitations of this Section 11.4.2 and to the Deductible Amounts and Cap Amounts of Sections 11.3.2. Neither Party shall be liable under this Agreement for Environmental Damages:

A. In the case of Environmental Claims arising from Pre-Closing Compliance Matters or Post-Closing Compliance Matters (as the case may be), unless written notice of such claim has been served on the non-claiming Party on or before five (5) years following the Closing Date.

B. In the case of Environmental Claims arising from a Pre-Closing Environmental Contamination or Post-Closing Environmental Contamination (as the case may be), unless written notice of such claim has been served on the non-claiming Party on or before five (5) years following the Closing Date.

C. Where such Environmental Damages are the result of the indemnified party using the Manufacturing Facility for a use other than or more sensitive than the industrial use in effect at the Closing, or as a result of changing the zoning or land use classification of the Manufacturing Facility to a classification more sensitive than the industrial classification in effect at Closing;

D. To the extent the claiming Party did not take reasonable steps to avoid or mitigate any Environmental Damages, acting in a reasonable and cost-effective manner; in the case of an emergency, where a Party takes any action to avoid or mitigate any Environmental Damages: (i) it shall for the avoidance of doubt not be in breach of this Agreement and shall not be precluded from recovering its Environmental Damages provided that the claiming Party notifies the other Party of such circumstances as soon as reasonably practicable and provided that such actions or steps are reasonably necessary to avert the emergency; and (ii) the reasonable costs and expenses of all steps taken pursuant to the duty to mitigate contained in this Section 11.4.2.D shall be deemed to be Environmental Damages.

E. Following the Closing and for a period of five (5) years thereafter, the Buyers shall not conduct any investigation of the environmental condition of the soil, groundwater, surface water or other environmental medium at any Manufacturing Facility without a specific legal obligation for doing so. Buyers shall not disclose the results of any prior investigations of the environmental condition of any Manufacturing Facility or any subsequent investigation of any Manufacturing Facility to any third party (other than to lenders providing financing to Buyers in connection with the transactions contemplated by this Agreement) unless:

(i) The disclosure is required by any law (including any Environmental Law);

(ii) The Buyers are advised in writing by counsel that the disclosure is otherwise necessary or appropriate pursuant to any law (statutory or decisional), rule and/or regulation and such writing is provided to Seller at least ten (10) days prior to such disclosure, if practicable;

(iii) The information is clearly in the public domain through no fault of the claiming Party; or

(iv) Seller has given prior written approval to the disclosure.

provided, however, that if following Closing the Buyers, acting reasonably in the ordinary course of operations or other business activities (including expansion or transfer of a facility) discover or are made aware of substances not previously identified by Sellers' disclosures or through Buyer's due diligence activities prior to Closing, individually or in combination with other substances known to be present at the Manufacturing Facilities at the time of the Closing, that may be Hazardous Materials, the Buyers shall have the right to have samples taken and analyzed and, if the analyses show the presence of Hazardous Materials, the right to determine the extent of the contamination.

11.4.3 Remediation of Environmental Damage:

A. Where an Environmental Damage arises out of Environmental Contamination, the non-claiming Party shall be responsible for Remedial Works or the redressing of a Compliance Matter ("**Remedy**") to no less but no more than the Remediation Standards allowed by applicable Environmental Laws; such Remedial Works may be determined, in compliance with applicable Environmental Laws, using risk assessment and related risk evaluation methods. Remedial Works shall be conducted using the most cost effective methods of investigation, corrective measures, remediation and/or containment (including the use of institutional controls or deed restrictions for use of the property for industrial purposes only), and in accordance with the requirements of subparagraph C below.

B. The non-claiming Party shall, where a Remedy is required pursuant to this Agreement, have the right to conduct such Remedy.

C. The conduct of a Remedy shall be as follows:

(i) The non-claiming Party shall prepare appropriate work plans or scopes of work to satisfactorily undertake and complete the Remedy under this Agreement; such Party will provide the other Party with an opportunity to review and comment on such work plans or scopes of work. The non-claiming Party shall, in good faith, reasonably consider such comments, but is not required to adopt them;

(ii) When requested, the claiming Party shall cooperate with the non-claiming Party in any communications with the appropriate Competent Authority;

(iii) Where Delphi or any Seller is the non-claiming Party, Delphi and Sellers will take all reasonable steps to avoid interfering with Buyers'

operation or use of the Manufacturing Facility, and Buyers will reasonably cooperate with Seller including providing access to the Manufacturing Facility and the use of utilities (at Delphi and Sellers' expense) in the conduct of the Remedy;

(iv) Where applicable the non-claiming Party shall provide copies of all relevant correspondence sent to and received from a Competent Authority, and keep the claiming Party reasonably apprised of the progress of the conduct of the Remedy; and

(v) The conduct of the Remedy shall be deemed complete when:

(1) The non-claiming Party has fully implemented the Remedy pursuant to and in accordance with a written plan of remedial or corrective action, approved in writing by an applicable Competent Authority, which plan contains or incorporates objective, Remediation Standards, and has demonstrated compliance with such Remediation Standards in accordance with such written plan and Environmental Law; or

(2) Where approval or other oversight by a Competent Authority is not required by Environmental Law, and subject to Section 11.4.3.A of this Agreement, the non-claiming Party's implementation of the Remedy results in attainment of the objective, Remediation Standards which are allowed by applicable Environmental Laws.

11.5 Indemnification Procedure. The obligations of any indemnifying party to indemnify any indemnified party under Sections 11.3.1 or 11.3.2 with respect to Indemnifiable Losses resulting from the assertion of liability by third parties (including Governmental Entities) (an "**Indemnification Claim**"), shall be subject to the following terms and conditions:

11.5.1 Any party against whom any Indemnification Claim is asserted shall give the party required to provide indemnity hereunder written notice of any such Indemnification Claim promptly after learning of such Indemnification Claim (with such notice satisfying the requirements of this Section 11.5.1), and the indemnifying party may, at its option, undertake the defense thereof by representatives of its own choosing and shall provide written notice of any such undertaking to the indemnified party. Failure to give prompt written notice of a Indemnification Claim hereunder shall not affect the indemnifying party's obligations under this Article 11, except to the extent that the indemnifying party is actually prejudiced by such failure to give prompt written notice. Any written notice delivered by the indemnified party to the indemnifying party seeking indemnification pursuant to this Agreement with respect to Indemnifiable Losses shall set forth, with as much specificity as is reasonably practicable, the basis of the claim for Indemnifiable Losses, the sections of this Agreement which form the basis for the claim, copies of all material written materials relating to such claim and, to the extent reasonably practicable, a reasonable estimate of the amount of the Losses that have been or may be sustained by the indemnified party. The indemnified party shall, and shall cause its employees and representatives to, cooperate with the indemnifying party in connection with the settlement or defense of such Indemnification Claim and shall provide the indemnifying party with all available information and documents concerning

such Indemnification Claim. If the indemnifying party, within fifteen (15) days after written notice of any such Indemnification Claim, fails to assume the defense of such Indemnification Claim, the indemnified party against whom such claim has been made shall (upon further written notice to the indemnifying party) have the right to undertake the defense, compromise or settlement of such claim on behalf of and for the account and risk, and at the expense, of the indemnifying party, subject to the right of the indemnifying party to assume the defense of such Indemnification Claim at any time prior to settlement, compromise or final determination thereof upon written notice to the indemnified party.

11.5.2 Anything in this Section 11.5 to the contrary notwithstanding: (i) the indemnified party shall not settle a claim for which it is indemnified without the prior written consent of the indemnifying party, which consent shall not be unreasonably withheld, conditioned or delayed; and (ii) the indemnifying party shall not enter into any settlement or compromise of any action, suit or proceeding, or consent to the entry of any judgment for relief other than monetary damages to be borne by the indemnifying party, without the prior written consent of the indemnified party, which consent shall not be unreasonably withheld, conditioned or delayed.

11.5.3 Indemnification Payments. All payments under this Article 11 shall be treated as adjustments to the Purchase Price.

11.5.4 No Estimation:

A. Each of the Sellers acknowledges and agrees that any claim that may exist or hereafter arise in favor of Buyers under this Article 11 is a contingent, unliquidated administrative claim against Sellers (an "**Indemnification Claim**"). Each of the Sellers further agrees that: (i) it shall not seek, and hereby waives its right, to have any Indemnification Claim estimated under §502(c) of the Bankruptcy Code or otherwise for any purpose including, without limitation, for allowance, distribution, feasibility of any plan of reorganization or establishment of any reserves for, or on account of, any Indemnification Claim; (ii) any Indemnification Claim shall not be discharged or otherwise affected by the confirmation of any plan which may be confirmed in the Sellers' bankruptcy case; and (iii) Buyer shall be relieved from any obligation it has or may have to file a proof of claim to preserve Buyer's right to assert any Indemnification Claim.

B. Without limiting Buyers' rights hereunder, allocation of any Indemnification Claim among the Sellers will be made in accordance with the Allocation; provided, however, if a Seller or Sellers are responsible for the act or event giving rise to the Indemnification Claim then such Seller or Sellers will be responsible for all of the Indemnification Claim in proportion to their responsibility. Nothing in this Section **11.5.4.B** shall in any way limit, reduce or otherwise adversely affect Buyers' rights to indemnification under this Article 11.

11.6 Mitigation. Notwithstanding any other provision of this Agreement, in no event shall a Party be entitled to indemnification pursuant to this Agreement to the extent any Losses were attributable to such Party's own gross negligence or willful misconduct.

11.7 Dispute Resolution. Sellers, on the one hand, and Buyers, on the other hand, will, in the first instance, attempt to settle any and all claims or disputes arising in connection with this Agreement by good faith negotiations by senior management of each party. If the dispute is not resolved by senior management within thirty (30) days after delivery of a written request for such negotiation by either party to the other, either party may make a written demand (the “**Demanding Party**”) for formal dispute resolution (the “**Notice**”) and specify therein in reasonable detail the nature of the dispute. Within fifteen (15) Business Days after receipt of the Notice, the receiving party (the “**Defending Party**”) shall submit to the other a written response. The Notice and the response shall include: (i) a statement of the respective party’s position and a summary of arguments supporting that position; and (ii) the name and title of the executive who will represent that party and of any other person who will accompany the executive to meetings of the parties. Within fifteen (15) Business Days after such written notification, the executives (and others named in the Notice or response) will meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one party to the other will be honored promptly. All negotiations pursuant to this Section 11.7 are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

12. MISCELLANEOUS:

12.1 Fees and Expenses. Except as set forth in Section 9.2.2 and except as otherwise provided in the Ancillary Agreements, Delphi, on behalf of Sellers, on the one hand, and Buyers, on the other hand, will each bear their own expenses and the expenses of their Affiliates in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated hereby, including their respective brokers’ or funders’ fees and all fees and expenses of their respective counsel, auditors, consultants and other representatives. Buyers will be solely responsible for: (i) all expenses in connection with their due diligence review of the Business, including, without limitation, surveys, title work, title inspections, title searches, environmental testing or inspections, building inspections, UCC lien and other searches; and (ii) any cost in connection with notarization, registration or recording of this Agreement or an Ancillary Agreement required by applicable Law.

12.2 Bulk Sales Laws. Buyers waive compliance by Delphi and Sellers with any applicable bulk sales Law.

12.3 Payments in Dollars. Except as otherwise provided in this Agreement or an Ancillary Agreement, all payments pursuant hereto will be made by wire transfer in U.S. Dollars in same day or immediately available funds.

12.4 Amendment. This Agreement may not be amended, modified or supplemented except upon the execution and delivery of a written agreement executed by the duly authorized representative or officer of the Parties.

12.5 Assignment. This Agreement will be binding on and inure to the benefit of the successors and assigns of each Party, provided, that no assignment of any rights or obligations hereunder will be made by any Seller or Buyer without the written consent of the other Party, except the assignment of this Agreement by a Filing Affiliate to a succeeding entity following such Filing Affiliate’s emergence from Chapter 11 (which assignment will not require the other Party’s consent). Notwithstanding the foregoing, Buyers may assign their rights and obligations under this Agreement to any lender providing financing in connection with the transactions

contemplated by this Agreement upon a material default by Buyers under such lender financing agreement; provided that such lender agrees to be bound by the terms of this Agreement; provided, however, that nothing in this Section 12.5 shall prevent Buyers from granting a security interest in this Agreement to any such lender.

12.6 Waiver. Any waiver by Sellers or Buyers of any breach or of a failure to comply with any provision of this Agreement: (i) will be valid only if set forth in a written instrument signed by the Party to be bound; and (ii) will not constitute, or be construed as, a continuing waiver of such provision, or a waiver of any other breach of, or failure to comply with, any provision of this Agreement. At any time prior to the Closing Date, the Parties may: (a) extend the time for the performance of any of the obligations or other acts of the other Parties; (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant hereto; and (c) waive compliance with any of the agreements or conditions contained herein. Except as otherwise expressly provided in this Agreement, any agreement on the part of a Party to any such extension or waiver will be valid only if set forth in an instrument in writing signed on behalf of such Party.

12.7 Notices. Unless additional means are expressly provided herein, any notice, request, consent or other communication required or permitted to be given under this Agreement will be in writing and will be deemed to have been sufficiently given or served for all purposes: (i) when personally delivered; (ii) on the first (1st) Business Day after sent by a nationally or internationally recognized overnight courier service with signature to the recipient at the address below indicated; (iii) on the third (3rd) Business Day after sent by registered or certified mail, return receipt requested, postage prepaid; or (iv) when sent if sent by facsimile with confirmation of receipt:
